Incapacidad y negligencia di adulto mayor birando hopi serio

Presidente di OPPA, sr Ivo Valdes a reacciona riba e hecho cu despues di e foro nacional cu a tuma luga na October, relaciona cu interes di Adulto Mayor, tempo a pasa y ainda no a tende algo concreto di Gobierno of di e Minister encarga, Ursell Arends.

Un dia despues cu OPPA a emiti e comunicado di prensa aki, cuestionando cu no tin accion concreto di parti di gobierno tumando luga, Minister Ursell Arends a reacciona mesora indicando cu e no ta di acuerdo cu e ponencianan di e Presidente di OPPA.

Acerca Minister Arends a muestra riba un proverbio hopi conoci na Aruba esta cu “pa suta cacho no ta falta palo”, mientras cu en realidad e responsabilidad politico cu el a tuma di forma parti di gobierno di Aruba, ta bin cu tur e cuestionamento ora cu e maneho cu su persona y su gobierno ta hibando, no ta segun a ser priminti na pueblo.

E mandatario a sigui muestra cu loke a bin dilanti den e Foro Nacional, ta procesonan formal ta tuma nan tempo,” pero Minister Arends y gobierno, no ta compronde cu adultonan mayor conoci mas tanto como pensionadonan, no tin tempo pa warda hopi.

Ta den Minister Arends su man pa atende cu e cosnan aki rapidamente y busca solucion pa hendenan grandi, ya cu for di encuentronan anterior, tin un lista di adulto mayor kendenan tin mester di cuido urgentemente, otronan mester di cuido medico profesional y tambe tin mester di un cas di cuido, ya cu den esunnan actual, no tin luga.

E preocupacion di e Presidente di OPPA tin tur validez ya cu mientras cu e situacion ta birando mas serio, gobierno ta sigui enfoca riba su posicion contra di Hulanda, ta sigui discuti riba e pasado di esclavonan, ta celebra cu a logra un surplus presupuestario pa 2024 pero ningun caminda tin algo concreto con e situacion di hendenan grandi lo bay bira.

PERSONAL

Loke tambe a hala hopi atencion ta e hecho cu durante di e Foro Nacional, gobierno a muestra cu a lanta un departamento nobo, cu lo atende completamente cu interes di pensionadonan, caminda Minister Arends a muestra cu tin un proceso tumando luga, entre otro pa nombra un Director di

e departamento nobo conoci como “Ouderenzaken” aki pero tambe el a menciona cu lo nombra no menos cu 13 funcionario den e departamento aki.

Pa haci esaki ta rekeri placa, cu lo tin cu bin riba presupuesto 2024 pero ora cu analisa e concepto di e presupuesto aki, ta mira cu fondo pa atende cu e situacion di adulto mayor, no a conoce un adelanto y cu e suma di placa presupuesto, ta casi mesun cos cu 2023.

Gabinete Wever Croes II a bin ta insistiendo cu den su maneho, a pone e hende central pero mirando kico a bin ta pasando den e asunto di adultonan mayor, ta cu no tin ningun pura pa yuda e grupo di ciudadano aki cu ya ta pasando den momentonan hopi dificil pa loke ta nan salud y e futuro cu e hendenan aki tin, ta birando mas corto pa un maneho di un Minister cu ya na luna di Mei di 2023, Presidente di OPPA a muestra cu e ta carece di vision pa maneha asuntonan cu ta regarda cuido di adultonan mayor.

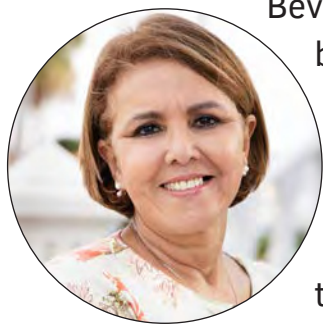

Pa motibo di biahamento continuo

Minister di Labor y Permiso no por atende cu asunto di permiso

Mientras cu Minister di Turismo hunto cu su gobierno, ta sigui bati man riba pecho pa e recuperacion impresionante di turismo despues di e pandemia, tin otro desaroyonan cu no ta bayendo bon y cu merece mas atencion y solucion mas rapido posibel.

Loke ta resalta ta e hecho cu mientras cu varios industria liga cu e sector turistico ta bin ta mustrand cu tin un scarsedad di trahado den e sector aki, por mira cu Minister di Labor Glenbert Croes, no tin tempo pa atende cu e situacion aki.

Ayera dialuna 20 di November, Presidente di 'Aruba Food and Beverage Association', a bolbe bin dilanti y

bisa cu tin scarsedad den e sector aki pa haya trahado capacita y specialisa den e ramo aki, haciendo e advertencia aki na un momento cu turismo na Aruba ta drentando su "high season." No ta prome bes e aña aki cu Presidente Miriam Dabian ta bin dilanti den medionan

di comunicacion y papia riba scarsedad cu tin den e sector aki caminda ta dificil pa haya trahadonan specialisa cu tin permiso pa asumi e responsabilidad aki.

Tin algun persona cu ta capacita pero no tin permiso di trabou ainda pero ni riba e punto aki gobierno a reaccion, principalmente Minister di Labor y Minister di Turismo pa mira cu lo alivia e situacion aki pa no crea problema mas dilanti.

Aki tin cu señala si cu Minister Dangui Oduber ta hopi involvi cu su ministerio di turismo, su persona ta dilanti di tur situacion cu presente pero di otro banda tin Minister di Labor y Permiso, kende ta Glenbert Croes, kende ta practicamente residencia den exterior y pa loke ta bay di 2023, e mandatario a pasa mas tempo sea na Europa, Merca of Sur America, cu el a keda aki na Aruba pa carga responsabilidad di su ministerio di labor y permiso.

Presidente di AFBA, sra Dabian a señala cu hopi persona cu por traha den e sector aki, ta confrontando obstaculonan den henter e proceso pa haya permiso ya cu a pesar cu nan ta na Aruba caba, nan no tin permiso valido di trabou loke ta pone dificil pa tuma nan den servicio.

Fuera di e situacion di permiso riba cual constantemente tin reclamo riba e forma di atende cu e asunto aki, Minister Glenbert Croes tambe tin e obligacion di bin dilanti y aclaria cierto asuntonan relaciona cu e mercado labora.

Por ehempel ta con por ta posibel den e era moderno aki, cu pa un persona haya un cita di DPL, departamento di labor, e tin cu warda te cu otro aña, ya cu tanto loke falta di November y December di 2023 y pa loke ta Januari di 2024, no tin espacio na e departamento di labor pa duna cita na un of otro persona.

Fuera di esey e proceso di solicitud e solicitante ta ser avisa cu e tin cu warda un periodo di cuater luna of mas prome cu e wordo yama pa bin tende kico e tin mester y ta mas cu claro cu e preocupacion ta grandi den e sector di turismo mirando e forma di procede poco poco di e departamento aki cu ta responsabilidad di Minister Glenbert Croes.

Un bon conseho pa Minister Glenbert Croes ta cu su persona den loke a keda di 2023, e no biaha mas pa exterior y atende y soluciona e asuntonan aki cu ta di vital importancia pa e sector turistico cu ta bayendo asina bon na e momentonan aki.

ANALISIS

En realidad Hulanda no ta husto den su trato pa cu Aruba

E declaracionnan fuerte haci pa Minister di Financia Xiomara Maduro den direccion di gobierno demisionario Hulandes, a causa asombro den seno gubernamental na Den Haag pero do otro banda ora cu realisa un serie di desaroyonan, tin cu muestra cu e mandatario di Aruba tin rason pa un bon parti.

AWEMainta na varios ocasion di su edicionnan, tambe a cuestiona e forma con Gabinete Mark Rutte IV a bin ta forsando Aruba pa acepta un supervision financiero regla pa un Rijkswet, cual na dos ocasion Prome Minister Evelyn Wever Croes a bay di acuerdo cu esaki.

Sinembargo e forma cu gobierno Hulandes kier impone e Rijkswet aki riba Aruba, no ta cuadra por completo cu e situacion financiero cu tin na e momentonan aki, caminda tin cu muestra cu e situacion financiero a cambia formalmente caminda hasta pa presupuesto 2024, tin un surplus di ningun hende a spera.

Ta un hecho sinembargo cu mester sigui c'un supervision financiero caminda Gabinete Wever Croes II ta bogando pa un ley di LAft mescos cu ya tabatin tin caba pero cu tin cu trece cambio den esakinan pa evita cu gobierno di Prome Minister Wever Croes, lo kier cambia contenido di e ley aki ora cu su gobierno kier haci esaki.

Esaki ya a sosode na 2018 caminda a trata di cambia henter e proceso di supervision caminda entre otro lo a pone CAft duna cuenta na Parlamento di Aruba y no na gobierno Hulandes.

Eynan a surgi un falta di confiansa serio cerca e Hulandesnan cu a considera cu gobierno actual no a di confia pero na mes momento e mesun gobierno aki a pidi pa sigui cu e LAft pero cu cambianan concreto cu lo evita di sosode loke a sosode na 2018.

AWEMainta na varios ocasion a yega di señala cu no tin motibo di peso pa gobierno Hulandes forsa Aruba un supervision financiero pa medio di un Rijkswet cu lo bay limita e control y poder di Parlamento di Aruba, a pesar cu nan ta sugeri cu esaki no ta e caso.

Un argumento cu Minister Xiomara Maduro a presenta den su reaccion den fin di siman, ta e hecho cu tanto Corsou como Sint Maarten ya caba tin un supervision financiero regla pa medio di un Rijkswet pero e realidad di e situacion, gobierno Hulandes ni tampoco e Staatssecretaris Alexandra van Huffelen, nunca te cu awor no a atende.

Aruba lo no haya un supervision financiero pa maneho di e financia publico pa e situacion actual pero e lo ricibi esaki segun Hulanda ta pensa, “als het verkeerd gaat zal gaan,” of “Aruba zal in financiële problemen kunnen komen” pero no ta papia mes di e recuperacion impresionante di economia di e isla.

Un punto cu a resalta den e reaccion di Minister Xiomara Maduro, tambe ta un punto cu AWEMainta a yega di trece den edicionnan anterior, esta cu tanto gobierno di Corsou como gobierno di Sint Maarten, pa bay di acuerdo cu un ley di supervision financiero regla un Rijkswet, a wordo recompensa pa acepta esaki.

Ambos pais a ricibi asina yama “kijtschelding” di 70% di nan debe cu Hulanda na momento ci nan a bira paisnan autonomo den Reino Hulandes, loke nunca Aruba a yega di ricibi pero awor si Hulanda kier impone e Rijkswet aki riba Aruba mustrand cu sin motibo valido e kier mantene un supervision riba gobierno di e isla.

Hasta si Gabinete Wever Croes II dicidi di acepta e Rijkswet aki, esey lo no pone Hulanda exonera pais Aruba di e debe cu e tin cu Hulanda y e unico beneficio cu lo ricibi si acepta esaki, ta cu e debe cu tin di coronalening, lo tin cu wordo paga cu solamente un interes di 3.4% na luga di e 6.9% cu awor Aruba tin cu paga como un tipo di presion, of miho bisa un tipo di castigo.

Sector hotelero ta man na cabes No tin suficiente personal pa ocupa cuponan di trabou habri

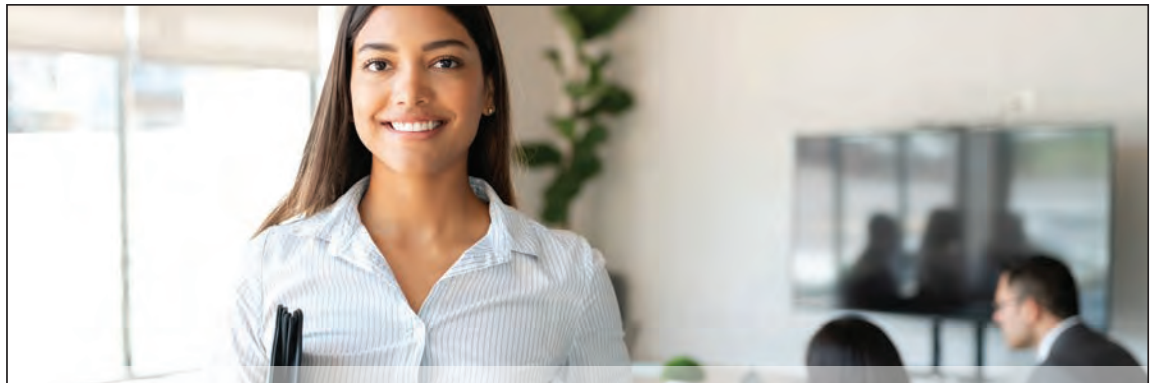

Pa basta tempo caba e sector di Alimento y Bebida mediante, Aruba Food and Beverage Association (AFBA), a drenta den combersacion cu diferente instancia y gobernante pa por yega na un solucion na e problema reinante den e industria aki. Pa hopi ta conoci cu na Aruba actualmente tin falta di personal of personal califica pa cierto puesto di trabou den nos industria cua ta haci dificil pa por opera of pa duna e minimo calidad di servicio. AFBA tin riba su website www.aruba-foodandverage.com posicionnan disponibel pa basta tempo caba y cu practicamente no ta haya persona interesa of cu lo kier traha den Horeca, unda lo mester traha oranan nocturno of dianan extendi den weekend.

AFBA a logra e aña aki hunto cu Openbare Avondleergangen Aruba (OAA) pa cuminsa cu un proyecto piloto pa encamina 17 estudiante pa studia y drenta den e mundo laboral den nos industria. Pero esaki ta solamente e comienso cu no ta resolve e problema actual di trabou disponibel. Alabes AFBA a bin cu e Job Fair na luna di juni pa percura pa e comunidad Arubano por conoce e companianan cu ta ofrece oportunidad pa nos hobennan den e mundo laboral. Aunke AFBA ta kere den e iniciativa aki y lo continua cu esaki na 2024, por bisa cu e situacion a suavisa un poco na e momento ey, pero no a logra ocupa tur posicion laboral disponibel. AFBA ta mira cu preocupacion e desaroyo di apertura proximo di diferente hotel cu lo ofrece mas puesto di trabou na un poblacion cu ya caba ta ocupa. Na e momento aki Aruba ta drentando den su temporada halto y e miembronan di AFBA ta confronta caba e falta di personal pa atende e publico internacional y local cu un standard halto manera cu nan ta custumbra of cu ta spera di nan negoshi.

Segun mayoria di e miembronan ta haya cu un di e gran obstaculonan ta e proceso di solicitud di permiso pa trabou pa persona califica cu ta na isla pero nan no tin un permiso valido pa trabou. Pa complica e situacion un poco mas, actualmente por haya cita na DPL te cu luna di februari 2024, y esey ta solamente pa duna e cita, mientras cu proceso di solicitud lo mester warda 4 o mas luna pa por haya informacion of aprobacion. “Nos ta confrontando cu empleadonan actual a cuminsa frustra ya cu nan por sinti nan mes overbelast cu

trabou. Nos a sinta na mesa cu diferente instancia pa mira con nos por yega na un mecanismo o formato cu por haci cu e proceso di solicitud di permiso pa empleado por cana un caminda mas facil y mas cortico. A priminti AFBA solucionnan cu ainda no a materialisa forsando nos miembronan pa tuma decision, di pronto drastico, manera recorta ora di funcionamiento.”

Nan ta finalisa bisando cu e Asociacion ta preocupa ya cu nan ta parti di e experiencia cu cada turista cu ta bishita Aruba ta spera ora e bin nos isla, y lo kier duna un bon servicio, calidad di cuminda y atencion, pero si no sigui cu e problema lo haci esaki imposibel. P’esey un biaha mas kier haci un peticion na tur instancia pa nos por sinta hunto y yega pronto na un sistema pa nos soluciona e problema existente y logra e permisonan di un forma facil, menos tempo y na tempo.

Minister Arends ta anuncia fase pre-ejecutivo pa construi Departamento di Control di Animal

Desde 2012, Aruba a implementa un Ley di Cacho pa enfrenta e creciente poblacion di animalnan cu ta biba riba caya. Den e prome mandato di Gabinete Wever Croes, a desaroya un plan nacional pa aborda e situacion di cachonan riba caya. Den e di dos mandato, e Ministerio di Naturalesa a asumi su responsabilidad pa e bienestar di animal y a adapta e plan na National Plan for Stray Animals (NPSA).

Departamento di Control di Animal

Dentro di e marco di e NPSA, ya a implementa varios pasonan di e plan, manera e creacion di un plataforma pa registracion di mascota, compilacion di material educativo pa scolnan basico, y campananan pa stimula doñonan responsabel di mascota. Durante un conferencia di prensa dialuna 20 di november, Minister Arends a anuncia orguyosamente cu Ministerio di Naturalesa ta den e fase pre-ejecutivo pa construi e Departamento di Control di Animal.

Segun Minister Arends e centro aki ta clave pa maneha e situacion di cacho y pushi riba caya di un manera mas efectivo. Cachonan y pushinan cu ta wordo recoge lo haya e atencion y cuido necesario, cu e meta pa nan haya nan doño bek of pa haya un hogar nobo bou di cuido di un persona responsabel. Ademá di aloca cachonan y pushinan, e centro lo tin espacio pa otro tipo di animalnan cu ta bao di e tratado di CITES.

Diamars 21 di november 2023 ta inicia e destaho publico pa ricibi diferente proposicion di companianan cu lo por asisti pa construi e Departamento di Control di Animal. Ultimo dia ta 20 di december 2023.

Maneho

Durante e ultimo periodo, nos a colecta datos, ehecuta pasonan di e plan y evalua nan resultado. Nos comunidad ta enfrentando un reto serio debi na e cantidad di cacho cu ta circulando den nos barionan. Nos Centro di Control di Cacho ta completamente yen y e fundacionnan cu ta traha den e tereno aki a yega na nan capacidad maximo. Ta evidente cu e enfoque actual, cu ta poni enfasis ariba e control di cantidad di cacho, ta trata e simptomanan y no ta resultando manera lo mester y ta creando mas problema. Aunke e plan a ser diseña pa atende cu un problematica serio, ta keda claro cu no ta suficiente pa trata e problema na su origen. Pa e motibo aki, ta necesario introduci un maneho diferente cu un enfoque preventivo y holistico pa garantiza e bienestar

general di animal door di mehora e relacion entre e hende y animal.

Minister Arends ta menciona cu e ta desea di wak un Aruba cu ta ser conoci como un pais respetuoso y protector di tur ser bibo incluyendo e animal. E ministro ta continua ta bisa cu ta vital pa ciudadanonan tur comprende cu e problematica di cacho y pushi riba caya no ta un problema di e animalnan mes, sino di nos hendenan. E falta di amor, empatia, respet y sentido di responsabilidad pa nos animalnan ta resultado di abuso, crueldad y e cantidad alarmante di cacho y pushi cu ta ser bandona door di nan mesun doñonan. Den un sociedad unda nos ta conoci pa nos hospitalidad, creatividad, y dinamismo, ta lamentabel cu nos no ta refleha e mesun respet y amabilidad na nos bestianan domestico. Minister Arends ta menciona cu e maneho nobo lo ser trata na inicio di e aña nobo cu e colaboracion di stakeholder pa nan participacion, prome cu e wordo publica.

Campaña di Fin di Aña

Nos ta drentando den e temporada di fin di aña, cu ta un periodo alegre pa mayoria di nos hendenan, pero ta un periodo di tortura y miedo pa nos animalnan. Nos ta lansa nos campaña di microchipping atrobe pa garantiza e seguridad di nos mascota durante e celebracionnan di fin di aña. E medida aki ta manifesta e compromiso di Ministerio di Naturalesa pa sigui garantiza e seguridad y bienestar di nos mascota den tur ocasion.

Pa finalisa, Minister Arends ta pidi tur hende pa bira doñonan mas responsabel pa nan mascota. Evalua bo situacion bon prome cu busca un mascota nobo pa asina preveni e situacion caminda no por sigui provee cuido pa nan. Hunto nos por traha pa crea un Aruba unda nos ta conoci no solamente pa nos hospitalidad, sino tambe pa nos respet pa tur ser bibo, incluso esnan cu no por papia.

Cobramento di royalty fee pa musiconan ta un iniciativa priva

Mirando cu siman cu a pasa tabatin hopi comunicacion y informacion mixto riba red social riba e fundacion DucaPro cu a anuncia cu entrante prome di januari 2024 lo mester cuminsa paga pa uzo di musica licencia, como Minister encarga cu tanto Bureau Intellectuele Eigendom, como comunicacion, mi kier a duna un prome reaccion.

T'asina cu e musiconan por registra nan canticanan y asina no por uza nan canticanan sin permiso of sin compensacion. E derecho aki na Aruba ta basa entre otro riba articulo 39 di Statuut y e Auteursverordening.

E musiconan usualmente ta asocia nan mes na diferente organisacion rond di mundo cu ta representa nan y cu ta salvaguardia nan creencia y ta percura pa nan ta paga ora cualkier organisacion uza nan derecho intelectual, manera un cantica.

Tur e organisacionnan aki rond di mundo ta cera acuerdo bilateral cu otro a base di cual nan ta cobra y distribui e compensacion pa uzo di musica den un pais n'e artista.

DucaPro ta un organisacion asina na Aruba cu lo bay cobra

p'e uzo di derecho di autor, basicamente den nomber di e artista y percura pa reparti e entradanan n'e artista concerni, pues esaki por bira un entrada importante p'e musiconan local, pero na mes momento lo forma un peso financiero adicional p'e radio emisoranan.

Mester remarca cu e relacion ta un relacion entre e artista cu ta miembro di un organisacion cu ta representa e artista, e organisacion y tur otro organisacion similar rond di mundo.

Esaki no ta un iniciativa di gobierno, ni tampoco ta algo cu Gobierno di Aruba por stop of mitiga, e ta un relacion completamente priva (privaatrechtelijk) y usual rond di mundo.

A pesar di esaki, mi ta spera si cu DucaPro drenta den dialogo cu tur radio emisora pa splica detayadamente con nan lo opera p'asina e introduccion por bay na un forma structura y cu menos impacto negativo p'e radio emisoranan.

Ami di mi banda tambe lo bay drenta den dialogo cu tanto DucaPro como e radio emisoranan. Mi a puntra tambe conseho riba e tema aki mirando cu ta algo nobo pa Aruba cu lo tin su impacto. Nos mester cuminsa awo cu bon informacion y dialogo y sigur wak con por mitiga cualkier impacto negativo, e minister a indica den un comunicado di prensa.

Bin bishita nos y probecha!

Paña di bon calidad na bon prijs.

Prome Minister Evelyn Wever-Croes:

Pronto ley di control di Gobernacion lo keda cla

“**T**a finalizando e ley p’asina hancra e proyecto aki tambe legalmente y garantiza e transparencia den maneho di companianan estatal”. Diahuebs 16 di November, Prome Minister Evelyn Wever-Croes hunto cu Minister Ursell Arends a reuni cu Comision Corporate Governance cu ta cay bou di liderazgo di JossyLacle.

Durante Gabinete Wever-Croes 1, Prome Minister a institui e comision aki pa asina nan yuda Gobierno prepara e ley y procesonan den cuadro di Corporate Governance.

Corporate Governance ta e maneho cu ta wordo hiba pa e companianan estatal y tambe e institucionan cu ta ricibi subsidio di Gobierno. Gabinete Wever-Croes ta finalizando e ley cu mester prepara pa asina hancra e proyecto aki tambe legalmente y garantiza e transparencia den maneho di companianan estatal.

Comision Corporate Governance, desde su institucion a

haci hopi trabou entre otro, a haci varios estudio pa haya miho comprendemento con companianan estatal ta wordo maneha; con Gobierno ta maneha nombramentonan cu mester tuma luga den huntanan di comisario; y a bin cu proposicionnan pa trece cambio pa tin mas transparencia y integridad den e procesonan aki.

“Durante e reunion, e comision a duna un resumen di e trabounan andando y a presenta tur preocupacion y inquietud. “Mi ta gradici y felicita Minister Ursell Arends pa tuma e liderazgo di e proyecto aki over den Gabinete Wever-Croes II y pa e trabounan importante cu ta wordo desplega. Gobierno di Aruba ta reconfirma su compromiso pa e ley di Corporate Governance keda cla pronto pa asina tin reglanan cu ta aplicabel tanto pa Gobierno como pa esunnan den sector semi publico pa loke ta trata e maneho di e instancianan aki”, Prome Minister Evelyn Wever-Croes a expresa.

Eric Ras (Curpa):

Manera un ladron den anochi kier cambia e ley di matrimonio actual

Presupuesto 2024 a wordo entrega na tempo mientras tanto e tin 2 luna drumi na Parlamento. Un presupuesto cu tin yen di spirito den dje. Un presupuesto sigur no realistico. E motibonan pakico e presupuesto no por a wordo trata den Parlamento ta obvio. Na prome luga paso nos minister nan ta di biahe.

Ta conoci cu na final di aña nos pueblo ta hopi ocupa cu diferente evenementonan festivo y no lo paga mucho tino kico gobierno y parlamento ta haci. Esaki ta e momento mas oportuno pa gobierno y parlamento, manera un ladron den anochi, pasa e medidanan cu ta warda pueblo na 2024. Ora pueblo realisa cu tin mas medida riba lomba di pueblo, ya ta laat.

Riba pagina 73 di e presupuesto 2024 ta papia di e trato igual (gelijke behandeling) y mas abao ta papia di e geregistreerd partnerschap cu ta bisa cu mester regla e e derechonan suplementario cu lo mester reduci e desigualdad. Esaki kiermen cu e geregistreerd partnerschap mester wordo adapta pa asina e matrimonio di mesun sexo bira realidad. For di 8 di September 2016 cu amienda 7 a bira realidad cu 11 voto na favor y a sigui dia 1 di maart 2021 cu 17 parlamentario a vota na favor nada no a cambia.

A pesar di a papia cu prome minister nada a pone cambia di su pensamiento paso el a laga traha e Aruba Nacional Gender Policy, el a hiba un descurso na Universidad di Aruba 23 di October 2022 y dia 3 di November 2023 na Den Haag nos prome minister a hiba discurso riba e tema di igualdad di genero. Gobierno a sigui su curso pa implementa e ley aki.

Na Merca ora a cuminsa implementa e ley na scolnan, a bin hopi problema. E luna di orguyo a bira un luna caminda e pueblo Americano a rechasa e ley aki. Nos por corda cu Target, Walt Disney y Budlight a perde mas cu 40 biyon di dollar den menos di 10 dia paso e pueblo Americano a bisa ta basta.

Awor aki na Aruba nos gobierno ta sigui pusha e ley aki y e ora ey nos por wel di lubida riba nos turista Americano. E turista Americano lo no bishita un isla cu su estilo di bida ta manera Sodoma y Gomorra. Nos unico pilar economico, esta nos turismo ta na peligro.

Nos por mira cu parlamentario Berlis kier bin duna un spli-cacion kico ta ideologia di genero y cu su partido MEP ta para y kere ciegame den e igualdad di genero. Berlis ta sigui sostiene su partido MEP cu a firma e Sustainable Development Goals cu ta consisti di 17 punto y e gender equality cu nr 5. Por mira claramente cu e manifestacion y e 18 mil firma no a pone gobierno cambia di pensamiento. Riba dje e ta hinca den e presupuesto 2024. Por lo menos 16 parlamentario lo sostiene e ley aki. Nos di partido Curpa ta kere sr Berlis ta debidamente na altura di e plan diabolico cu su partido MEP ta forma parti di dje esta e Sustainable Development Goals pero e no tin e hombresa pa bisa su gobierno ta basta.

Parlamentario Berlis a permiti e actonan diabolico aki yega nos scolnan caba y kier sconde tras di e manifestacion pero gobierno ta hari nan den nan cara. E gobierno aki no ta interesa den e bienestar di nos criaturanan y tampoco pa mantene e diseño original di matrimonio. Nos gobierno no kier hala for di e mal caminda cu nan ta aden. Hesus mes a bolter mesa den e tempel ora contra di ley di Dios a haci cas di su TATA Celestial cueba di ladron. Nos ta bibando den tempo biblico. Dios su vengansa ta na porta. Leynan di Dios pa partido Curpa no ta negociabel. Partido Curpa ta e unico alternativa.

Voto tactico ta cobra protagonismo durante eleccion Hulandes

Mientras cu e eleccionnan Hulandes ta acerca, e voto tactico ta profila como un factor significativo, vooral dentro di e alianza Iskierdista PvdA-GroenLinks, segun un encuesta realisa entre 30 mil votado p'e programa di actualidad EenVandaag. E investigacion ta revela cu 54% di esunnan cu tin intencion di vota riba e lista di Frans Timmermans lo hacie pa rason tactico, mientras cu PVV di extremo derecha di Geert Wilders ta sigui di cerca cu 43%, cu ta beneficia di e voto strategico.

Un reciente sondeo di Maurice de Hond ta añadi complehidad n'e panorama electoral, indicando un aumento di cinco asiento pa PVV di Wilders den e ultimo siman. Segun De Hond, tanto e partido liberal derechista VVD como e partido di Wilders ta den obtene 26 asiento, cu PvdA-GroenLinks y e partido nobo centro-derechista Nieuw Sociaal Contract, di Pieter Omtzigt,

siguiendo di cerca cu 23 asiento.

E lidernan di e partidonan progresista a intensifica nan yamada n'e votadonan pa uni contra un coalicion di derecha como contesta n'e dinamica cambiante. Frans Timmermans a insisti n'e votadonan pa evita lanta den un pais dirigi pa Wilders, caracterisando e situacion actual como un "cambio di wega". E lider di D66, Rob Jetten, a subraya e riesgo di un gabinete di extreem rechts si PVV converti den e partido mas grandi.

Un investigacion publica den Volkskrant durante e fin di siman a destaca cu Timmermans ta esun cu mas por gana cu e voto tactico, cu porcentahe significativo di simpatisante di VVD y D66 considerando un cambio. VVD, lidera pa Dilan Yesilgöz, a mostra e menor potencial di crecimiento, mientras cu tanto NSC como PVV lo por gana voto di e partido di agricultor BBB, cu a experiencia un caida di sosten.

E proximo eleccionnan tambe tin consecuencia pa Aruba, cu ta forma parti di Reino Hulandes. Un posibel victoria pa extreem rechts di parti di PVV por tin consecuencia significativo p'e relacionnan entre e socionan di reino, cu e posibilidad cu lo produci alteracion importante. Tin hopi expectativa p'e resultado di e eleccion, mientras cu e votadonan ta evalua e impacto strategico di nan eleccion den e panorama politico y e relacionnan internacional.

Henter e industria di hospitalidad por beneficia di e innovacion aki y pa asina nos sigui mehora e calidad di servicio na nos bishitantenan. E obhetivo principal di e “Seamless Travel Experience” ta pa fomenta un proceso di biahe ful digitalisa y mas eficiente pa biaha for di y pa Aruba. Minister Oduber semper a kere den e innovacion y a opta pa haci esaki central den e strategia di su maneho y su vision.

Minister Geoffrey Wever:

Edad no mester ta un obstaculo pa “Silverpreneurs”

Durante e fin di siman, un evento interesante di “Silverpreneurs” a tuma lugá. Aki a duna atencion unico riba fortalece empresarionan adulto mayor. E evento a ser marca pa e presencia di e Minister di Asuntonan Economico, Sr. Geoffrey Wever, kende a enfatisa e importancia critico di mantene personanan mas aña activo economicamente.

A subraya e diferente oportunidadnan cu ta surgi ora cu e personanan di edad avansata keda involvi den negoshi, señalando nan contribucionnan impagabel di conocimiento y experiencia. Esaki ta particularmente beneficioso pa empresarionan hoben y/of personanan cu capital pero cu falta di experiencia. E curso, cu ta dirigi na cultiva y mantene e chispa empresarial bibo, y a subraya e idea cu edad no mester ta un barera pa participacion economico y cu e bista tecnico di generacionnan mas bieu ta esencial pa un ecosistema di negoshi vibrante y diverso.

Un palabra di gradicimento na e ekipo di Departamento di Asunto Economico, Comercio y Industria (DEACI) pa nan dedicacion pa asina trece un otro curso importante pa e comunidad di Aruba. Danki tambe na tur e Silverpreneurs cu a participa, sperando cu nan a keda inspira y motiva despues di e sesion.

Acto di seyo oficial di Kapel di Alto Vista como prome monumento priva protegi

Awe pa 5or di atardi

Manera ta un custumber tur diamars atardi tin un Rosario y Santo Sacrificio di Misa na Kapel di Birgen di Alto Vista. Diamars dia 21 di november lo ta uno mas special, pasobra despues di Misa lo tin e acto di seyo oficial di Kapel di Alto Vista como e prome monumento priva protegi.

Kapel di Alto Vista tin un balor importante pa Pais Aruba. E ta un luga religioso na unda hopi local ta bin practica nan fe y medita den un ambiente di tranquilidad y pas. Nos Kapel di Alto Vista tambe ta un icono masha bishita pa nos bishitantenan di exterior.

Minister di Cultura ta invita comunidad pa asisti na e Rosario y Misa, y pa presencia e acto historico aki na unda nos Kapel di Alto Vista lo haya su seyo como monumento proteha.

Candela ta kima parti dilanti di un Audi

Dialuna atardi den careda di 4:30 brandweer a bay un garage situa den Kamerlingh Onnesstraat, unda un auto a pega candela.

Un unidad di Brandweer cu a yega a bin topa cu un Audi, mucho candela no tawata tin mas e momento ey debi cu aparentemente lo a tira awa ariba e candela.

Na e sitio por a scucha cu e candela a cuminsa probablemente durante cu tawata trahando ariba e auto.

Actuacion rapido di esnan na e sitio a causa cu esaki no a expande y kisas kima e luga completo. Por mira si cu e candela a dañá un UTV cu tawata su dilanti.

Bomberonan asina mes a basha extra awa pa ta sigur cu no tin candela mas.

Minister Geoffrey Wever:

For di 25 di november ambiente di Pasco den Caya Grandi

Pa di 3 aña consecutivo, ta bay decora centro di ciudad, pero e aña aki lo ta mas grandi cu nunca! Durante un conferencia Minister Geoffrey Wever a anuncia Fiesta di Luz 2023, den Oranjestad.

Mas cu mil adulto y mucha riba pia a ricibi Sinterklaas y Pietnan

Diadomingo atardi, un cantidad grandi di persona tabata presente na e waf di Aruba Ports Authority (APA), pa asina saluda Sinterklaas y su Pietnan na nan yegada na Aruba. Despues di a baha di e barco y saluda tur e muchanan presente, Sinterklaas y su 85 Pietnan a bay den un parada, direccion Renaissance Marketplace, na unda a organisa diferente show, y actividad pa tur e muchanan.

E parada tabata uno cu hopi ambiente. Dilanti tabata tin Massive Brassband pa inicia e comienso di un di e temporadanan mas dushi pa nos muchanan. Tambe, pa trece mas ambiente na e parada, tabata tin Xenon y Casper cu a presenta nan cancionnan, Gucci Dancers cu a bin cu nan bailadonan, y un trailer cu cantantenan di Pitbull singing Production, cu ta celebrando nan di 10 aniversario, acompaña pa e bailadonan di The Chaz Modeling and Talent School, cu ta celebrando nan di 25 aniversario.

Prome Minister Evelyn Wever-Croes tabata para dilanti bestuurskantoor, pa asina por a presencia e bunita parada, y na unda, e tabata tin e oportunidad di comparti e dia special aki cu tur e muchanan para eybanda.

Prome Minister a expresa, cu e bunita tradicion aki, semper a wordo celebra den grandi, y por nota esaki, mirando e cantidad di hende cu tabata ansiosamente para na banda, pa por duna Sinterklaas y su Pietnan un bon bini.

E tabata un momento hopi special pa wak e alegria riba cara di e muchanan, na momento cu Sinterklaas y e Pietnan tabata acercando, y pa a wak cuanto mayor ta duna sosten na e tradicion aki, treciendo nan yiunan pa celebra e yegada di Sinterklaas y su Pietnan.

Departamento Cuido di mucha y hoben ta cumpli cu derecho di mucha

Pa tin un bon salud y bienestar no ta solamente un necesidad pero un derecho esencial pa tur mucha/hobennan na Aruba segun Articulo 24. Riba dia 20 november 1989 e Convenio di derecho di mucha (Verdrag inzake Rechten van het Kind/IVRK) a wordo concretisa door di Nacionnan Uni.

Un parti hopi importante for di comienso di e Convenio tawata cu cada mucha tin derecho riba cuminda y riba un bon cuido di salud, locual JGZ tambe ta reenfora den su vision. Aruba ta forma parti di e Convenio di derecho di mucha desde 2001, cu e meta pa salvaguardia e salud y desaroyo completo di cada mucha/hoben aki nan Aruba pa asina tur mucha/hoben por tin un bida saludabel.

JGZ como parti di Directie Volksgezondheid ta enfoca riba un desaroyo y salud holistico (emocional, mental, fisico, social y esencia di bida) di cada mucha/hoben desde nacemento te adolescencia.

JGZ ta boga pa cada mucha, hoben desde nacemento ta "The Right holders of Aruba!" Pronto JGZ lo publica nan Relato anual (2021-juli 2023) riba website di DVG, caminda por lesa e resultadonan di estado di salud y bienestar di muchanan/hobennan.

Minister Rocco Tjon:

A celebra dia internacional di derecho di mucha cu “Marcha pa nos Derechonan”

Diasabra, a celebra dia internacional di derecho di mucha, y manera ta customer a haci esaki cu e “Marcha pa nos Derechonan”. Nos muchanan tin 42 derecho pues ta importante pa educa nan tocante esaki. Como tal, muchanan hunto cu nan mayornan a acudi pa asina trece conscientisacion di e importancia di e tematica aki. Banda di esaki, nos a conta cu e sosten di varios organisacion cu a bin hunto pa brinda informacion na nos comunidad.

Ministerio di Husticia y Asuntonan Social, tin como meta pa salvaguardia e derechonan di nos muchanan. 42 derecho ta hopi, pues e ta importante pa percura pa educa nos muchanan pa nan ta consciente di nan derechonan. A base di esaki a lansa e campaña di conscientisacion “Mi Mesun Heroe”, pa di e forma aki educa nos muchanan riba nan derechonan.

Di otro banda, tambe ta importante pa salvaguardia e derechonan a traves di diferente programa, proyecto y metodonan di trabou maneraCodigo di Proteccion, Signs of Safety y mas. Ta importante pa agrega, cu ministerio di husticia y asuntonan social ta trata di atende cu esaki for di diferente angulo, pa cual motibo e ta encera un maneho multi-sectoral, caminda profesionalnan di sector di enseñansa, sector social, sector hudicial y tambe sector di salubridad publico ta bin hunto pa asina percura pa salvaguardia e derechonan di mucha.

Pues, un momento sumamente bunita caminda por a wak varios di nos profesionalnan cu ta traha den e sectornan aki, a bin hunto, riba nan dia liber, pa duna ful atencion na e topico importante aki. Un danki di curason y un pabien na cada profesional cu a haci e marcha aki posibel y cu ta traha cu hopi amor y dedicacion pa e derecho di nos muchanan.

Ambiente di Fin di Aña na rotonde di Seroe Blanco cu SETAR

SETAR ya pa algun aña a adopta e rotonde di Seroe Blanco p'asina trece e ambiente di fin di aña cerca di esnan den e bario di Seroe Blanco y vecindario cu bunita decoracion di luz.

Diabierna 17 di november 2023, SETAR a cende e luznan na e rotonde di Seroe Blanco hunto cu e dushi ambiente di musica di fin di aña y cu reparticion di un dushi cupcake pa tur esnan cu a pasa, treciendo asina alegria riba caminda. SETAR ta invita comunidad di Aruba pa pasa disfruta di e decoracion riba e rotonde di Seroe Blanco.

Parlamentario Shailiny Tromp-Lee (MEP):

Dia Internacional di Derecho di Mucha ta keda un dia importante pa celebra

Dia 20 di november ta un dia hopi importante. Un dia universal caminda nos ta celebra nos muchanan, nan derechonan y alabes ta conmemora adopcion/firmamento di e Declaracion Universal di e Derechonan di Mucha cu a tuma luga na 1959. Alabes nos ta recorda cu riba e fecha aki na aña 1989 e tratado di Derechonan di Mucha a keda aproba cu e meta pa protege tur mucha aki na mundo.

Na aña 2001 Aruba tambe a firma e tratado aki y a haci e compromiso pa proteha e desaroyo di e mucha den su totalidad. E Tratado aki ta papia di un set di derecho, cu ta inclui entre otro aspectonan di salud, enseñansa, recreacion, como tambe e bida familiar, proteccion contra violencia y discriminacion y cu cada mucha tin derecho pa nan opinion wordo scucha.

Ya e weekend tras di lomba tabatin diferente actividad en conexion cu e dia importante aki y e siman aki ta sigui algun

mas. Banda cu e ta un dia pa celebra, nos mester cada biaha analisa pa nos mes como pais con nos ta dunando contenido real na e derechonan di nos muchanan.

Un aspecto cu ultimo añanan sigur a bin ta haya hopi atencion ta e parti di abuso di mucha. Algo cu tabata y ta hopi necesario. Pero un cos cu mi a siña for di diferente consulta cu e veld social encuanto e topico aki ta, cu e abuso mas frecuente contra nos muchanan ta keda negligencia. Y esaki no ta algo cu ta den man di gobierno primordialmente. Mas bien ta responsabilidad di e mayornan. Pa ta un mama of un tata no semper ta facil, pero na ningun momento nos mester lubida cu e mucha cu nos a trece na mundo, ta un bendicion di Papa Dios y un responsabilidad grandi. Mas y mas mi ta sigui enfatisa na cada mayor den necesidad, bo no ta bo so. Pidi pa yudansa! Si no ta logra hay'e den seno familiar, semper por acudi na e departamentonan concerni.

Laga nos sigui uza e dia aki pa lanta consciencia y realisa na mesun momento cu ta rekeri di un fundeshi fuerte na cas y tambe di sociedad pa nos por lanta muchanan stabiel, contento y exitoso.

Pizza con masa de coliflor, tomates ricotta y albahaca

Una pizza estilo Margherita sin culpa con base de coliflor. Te prometo que esta será la mejor y más crujiente masa de coliflor que hayas comido. Se corta como masa real y no se deshace cuando agarras una rebanada grande y la muerdes. Esta pizza satisface muchas necesidades dietéticas y también está repleta de nutrientes.

Receta

TIEMPO PREVIO: 20 minutos

HORA DE COCINAR: 40 minutos

TIEMPO TOTAL: 1 hora

2 SERVICIO

Ingredientes:

Pizza

5 cucharadas Semillas de lino molidas en lugar del huevo para unir.

1 cucharada. Aceite de cocina

5 tazas de coliflor con arroz

1 cucharadita Sal

1/2 taza de harina

1/2 taza de levadura nutricional

1 cucharadita Orégano seco

1/2 cucharadita chiles triturados

1 cucharadita Albahaca seca

1 cucharadita Polvo de ajo

Adición –

3 tomates grandes reliquia en rodajas

1 pizca de sal

1 pizca de hojuelas de chile trituradas

1 taza de ricota vegana (o normal)

1/2 taza de mozzarella vegana (o normal)

1/2 taza de aceite de albahaca

Guarnición

2 cucharadas. Hojas de albahaca

1 pizca de hojuelas de chile trituradas.

Direcciones:

1 - Precalienta el horno a 450°F/220°C, forra una bandeja para hornear con papel pergamino.

2 - Mezcle la linaza y el agua para crear su aglutinante (reemplazo de huevo)

y déjelo reposar durante 15 minutos hasta que esté pegajoso y pegajoso.

3 - Calienta el aceite en una sartén antiadherente a fuego medio. Agrega el arroz de coliflor y la sal, cocina durante unos 5-8 minutos revolviendo frecuentemente. Retirar del fuego y dejar enfriar un poco antes de exprimir todo el líquido de la coliflor cocida con un paño limpio. Coloca el arroz en un bol grande y desecha el líquido.

4 - Agrega el aglutinante de lino a la coliflor con la harina, la levadura, el orégano, los chiles triturados, la albahaca seca, el ajo en polvo y combina bien todos los ingredientes.

5 - Transfiera a la bandeja para hornear, extienda uniformemente sobre la bandeja asegurándose de que la corteza no tenga más de 1/3 "de espesor.

6 - Hornee la base durante aproximadamente 20 minutos, luego retírela, voltéela con cuidado y regrese al horno y hornee por 10 minutos más. Saca la base del horno y déjala reposar unos minutos.

7 - Cubra la base superponiendo los tomates en rodajas que cubren la base. Espolvorea con hojuelas de chile trituradas, queso ricotta vegano y mozzarella. Rocía con aceite de albahaca y hornea durante aproximadamente 10 minutos.

8 - Esparce la parte superior con tiras de albahaca fresca y más hojuelas de chile a tu gusto. Corta tu pizza y disfruta de una alternativa de pizza saludable y libre de culpa.

Fortaleza pa Famia

No tin nada mas poderoso cu oracion

LAGA nos habri nos dia cu oracion, pasobra oracion ta nifica comunicacion cu Dios, ta Dios mes ta manda nos haci oracion, pa asina Dios, scucha y habri portanan den nos bida, saca nos for di tur clase di problema, provee pa tur sorto di necesidad, cura nos di tur sorto di malesa, aleha e malvado for di nos bida, cuida nos famia, fortifica nos matrimonio, y mas cu tur cos duna nos e paz y tranquilidad cu nos mester.

Hende grandi ta bisa cu oracion a vence bruheria, y esey ta berdad, pasobra caminda oracion ta wordo haci cu Fe, bruheria tin cu disparce, pasobra e presencia di Dios, ta core cu e diabel, e presencia di Dios ta basha tur altar di bruheria abao, paga tur bela, y libra hende for di e mundo di scuridad, y trece nan na e luz di Dios.

Un bida sin oracion ta un bida bashi, sin direccion, oracion mester wordo haci por lo menos tres biaha pa dia, pasobra nos ta ricibi rosea di Señor henter dia, y pakico nos no por ora tres biaha pa dia pa gradici Señor pa su bondad.

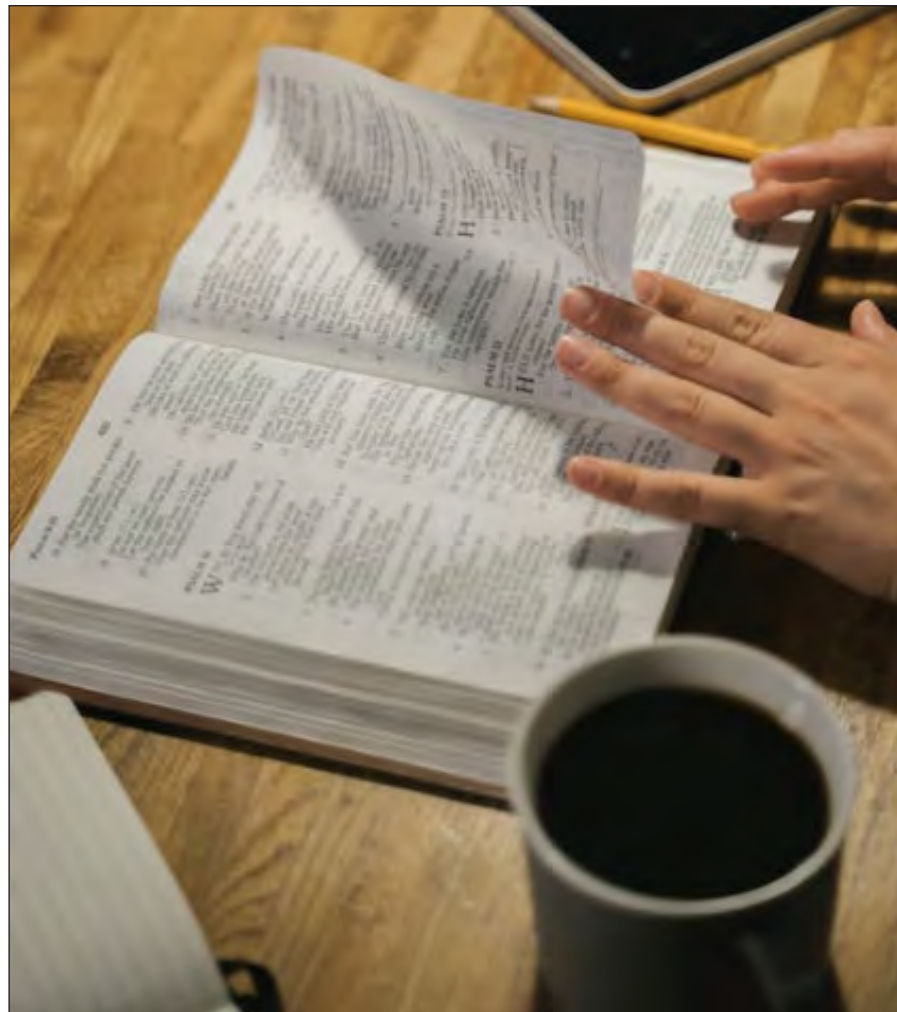

Caminda hende no ta haci oracion, orguyo ta lanta, inmoralidad ta halsa cabes, decision robes ta wordo tuma, capricho, cabesura y duresa di curason, ta wordo mira como alternativa, pasobra no tin comunicacion cu Dios.

Ta tristo cu nos por tende hende ta reuni pa tuma decision importante pa nos pais, pero nunca nos ta tende cu nan ta reuni prome den oracion, yama Dios danki, y pidi Dios su guia pa nan por haci lo miho pa e pais por bay dilanti, pasobra caminda tin oracion Dios ta manda Su sabiduria. Y den oracion no tin asunto di mayoria, ta Dios su boluntad ta prevalece, y plan di hende ta wordo cancela.

Den Mateo 7:7-8 ta para skirbi: Pidi y lo wordo duna na boso, busca y boso lo haya, bati y lo wordo habri pa boso. Pasobra ken cu pidi lo ricibi, y ken cu busca ta haya, y pa esun cu bati lo wordo habri.

Den Mateo 18:19 ta para skirbi: Atrobe mi ta bisa boso, cu si riba tera dos di boso bay di acuerdo tocante cualquier cos cu nan pidi, esaki lo wordo haci pa nan door di mi Tata cu ta den cielo. Pasobra caminda dos of tres reuni den mi nomber, ey mi ta memey di nan.

Oracion cu nos ta haci mester wordo haci cu Fe y pa duna Gloria na Dios na prome luga.

Pa medio di oracion:

Elias a baha candela for di cielo (1 Reynan 18:36-38).
Eliseo a haci oracion y Dios a ciega henter un ehercito Sirio (2 Reynan 6:12-18).

Isaias 37:14-36. Rey Ezequias a haci oracion na Dios pa defensa di su pais, pasobra su ehercito tabata debilita, kibra y cu hamber, y Dios a sali na nan defensa y manda un Angel destrui 185 mil soldaat Sirio den un anochi (tene cuenta cu e oracion aki a wordo haci pa un solo homber).

Hechonan 16:25 Pablo y Silas tabata cera encadena y sepa, y nan tabata haci oracion y canta himno di Alabansa na Dios, y diripiente a bini un temblor fuerte y fundeshi di e prizon a sacudi, portanan a habri y cadenanen di nan a los.

Te tempo pa nos haci oracion directo na Dios (Santiago 4:2-3).

Oracion cu Confiansa (1 Juan 5: 14-15).

Oracion constantemente (1 Thesalonisensenan 5:17).

Tur ora cu nos mester haci oracion den nomber di Cristo Hesus, E lo scucha nos (1 Juan 3:22).

Sinceramente, Pastor Marcel Balootje

Lagrima y floran por seca, su recuerdonan y tur loke el a haci y significa pa nos, lo keda graba pa semper den nos mente y curason.
"Cerca Dios mi alma ta na paz, ta di DJ'E mi salbacion ta bin". - Salmo 62:1

Cu dolor na nos curason, nos ta participa fayecimento di nos ser stima:

A large number of children were waiting to welcome Sinterklaas and his Piets to Aruba

A large number of people were present Sunday, at the Aruba Ports Authority (APA) dock to greet Sinterklaas and his Piets upon their arrival in Aruba. After disembarking from the ship and greeting all the children present, Sinterklaas and his 85 Piets paraded toward Renaissance Marketplace, where various shows and activities were organized for all the children.

The parade had a lively atmosphere and was animated by Tanchi Esmee. In front, there was the Massive Brassband to kick off one of the sweetest seasons for our children. Also, to add more excitement to the parade, Xenon and Casper presented their songs, Gucci Dancers showcased their dances, and a trailer featuring singers from Pitbull Singing Production, celebrating their 10th anniversary, accompanied by the dancers from The Chaz Modeling and Talent School, celebrating their 25th anniversary.

Prime Minister Evelyn Wever-Croes stood in front of the government office to witness the beautiful parade and took the opportunity to share this special day with all the children present. The Prime Minister expressed that this beautiful tradition has always been celebrated in grand style, evident in the eagerly awaiting crowd ready to warmly welcome Sinterklaas and his Piets. It was a very special moment to see the joy on the children's faces as Sinterklaas and his Piets approached, highlighting how important it is for adults to support this tradition, encouraging their children to celebrate the arrival of Sinterklaas and his Piets.

The Prime Minister thanked Minister Xiomara Maduro for consistently supporting Aruba's culture, the Department of Culture, Aruba Ports Authority, DOW, Police, and the Crisis Management Office for organizing such a successful event for the children. *"Your dedication, effort, and love to uphold this special tradition are highly appreciated,"* Prime Minister expressed.

The Festival of Lights will commence on November 25th in Oranjestad

FOR the third consecutive year, the city center will be adorned, but this year's celebration promises to be larger than ever! During a press conference, Minister Geoffrey Wever announced the Festival of Lights 2023 in Oranjestad.

Minister Wever emphasized that various areas around the city center of Oranjestad will receive additional lighting and decorations, collectively contributing to a festive holiday and year-end atmosphere. According to Minister Wever, illumination plays a crucial role. In addition to the holiday lights and decorations, newly announced lights will further enhance the entire area, providing an additional sense of security that is highly important for both merchants and consumers.

The holiday lights in Oranjestad will be lit on November 25th at 6:00 PM and will continue until December 23rd. Every Saturday until December 23rd, there will be activities in and around Caya G.F. Betico Croes, featuring specials and musical entertainment to delight visitors.

The schedule for the Festival of Lights is as follows:

November 25th, 6:00 – 8:00 PM, Entertainment: Las Unicas

December 2nd, 4:00 – 6:00 PM, Entertainment: Maruba

December 9th, 4:00 – 6:00 PM, Entertainment: Las Unicas

December 16th, 4:00 – 6:00 PM, Entertainment: Rumba Caribeña

December 23rd, 6:00 – 8:00 PM, Entertainment: Maruba

KIDSPRENEUR\$ BAZAAR

On Saturdays, November 25th and December 16th, the well-known "Kidspreneur\$ Bazaar" event will take place at Plaza Daniel Leo, organized by the Department of Economic Affairs, Commerce, and Industry (DEACI). Here, young entrepreneurs will have the opportunity to offer various products for sale, such as crafts, dishes, food and drinks, and more.

During Kidspreneur\$, visitors can admire the creativity of our young entrepreneurs and support them by purchasing their products.

The entire community is warmly invited to gather in downtown Oranjestad from November 25th at 6:00 PM, enjoying a festive and year-end family-friendly atmosphere. At the same time, you'll be supporting local businesses and contributing to the revitalization of our city center.

Wilhelminastraat and Columbusstraat are now open!

ON Friday evening, both Wilhelminastraat and Columbusstraat were officially opened, marking a vibrant urban revitalization in downtown Oranjestad as part of the overall Oranjestad revitalization project.

This demonstrates progress in the ongoing effort, expanding accessibility and providing ample parking space. “The atmosphere is one of anticipation and optimism, which will undoubtedly transform into new opportunities for prosperity in the business sector of the area,” stated Minister Wever.

Minister Geoffrey Wever expressed gratitude to everyone involved, including the Department of Infrastructure (DOW), Arubaanse Wegenbouw, and

especially all the businesses in the area for their patience. The minister also offered apologies once again for

any unforeseen delays but expressed great satisfaction that there is “light at the end of the tunnel.”

End of the Year Atmosphere at the Seroe Blanco roundabout with SETAR

SETAR, for several years now, embraced the roundabout at Seroe Blanco to bring the year-end atmosphere to the residents of Seroe Blanco and the surrounding neighborhood with beautiful light decorations.

On Friday, November 17, 2023, SETAR illuminated the roundabout at Seroe Blanco, accompanied by delightful year-end music and the distribution of sweet cupcakes for everyone passing by, spreading joy along the way. SETAR invites the Aruba community to come and enjoy the decorations at the Seroe Blanco roundabout.

A Passenger's Ban Raises Questions

Carnival Cruise Line's Strict CBD Policy Sparks Controversy

CARNIVAL Cruise Line, like many major cruise operators, operates under the flag of the Bahamas, allowing them to bypass U.S. labor laws and minimum wage regulations. However, this jurisdictional flexibility also raises questions about which U.S. laws should be enforced on these floating resorts.

One area of contention is the legal drinking age and gambling age on board. While both Royal Caribbean and Carnival Cruise Line adhere to a drinking age of 21 on their ships departing from American ports, they allow gambling at the age of 18 in their casinos. This discrepancy adds to the complexity of legal standards applicable on these international waters.

A more recent development is Carnival's strict enforcement of its policy on Cannabidiol (CBD), a compound derived from hemp. While CBD is legally allowed in some states, its status on cruise ships remains unclear. Federal law prohibits cannabis in any form on board, but the specifics regarding CBD are less defined.

Carnival Cruise Line, in particular, has taken a firm stance on CBD, even deploying dogs on some ships to detect its presence. Despite CBD being legally obtained by passengers in various states, Carnival's policy prohibits it on board. This has sparked controversy and led to one passenger's permanent ban from the cruise line.

Melinda Van Veldhuizen, a frequent cruiser, experienced this

strict enforcement firsthand. In August, she planned a celebratory cruise with her family but never made it on board. Carnival security detected a bag of legally purchased CBD gummies in her backpack during the boarding process.

While Carnival typically confiscates prohibited items and returns them after the cruise, in this case, Van Veldhuizen was not only denied entry but also received a letter stating a lifetime ban from Carnival Cruise Line.

The incident has stirred debates about the cruise line's approach to enforcing such rules. Van Veldhuizen, who claimed the CBD was for sleep issues, expressed surprise at the severity of the consequences. Carnival's website outlines its policy on prohibited items, explicitly mentioning "Cannabidiol (CBD)" as one such item.

This raises questions about how well passengers are informed about these policies, as some might not be aware that CBD, even in its commonly consumed gummy form, is banned on cruise ships. The case highlights the clash between evolving state laws on CBD and the cruise industry's efforts to maintain consistent rules across various ports of call.

As the cruise industry continues to grapple with legal and jurisdictional challenges, passengers are advised to stay informed about the specific rules of the cruise line they choose, especially regarding substances like CBD that straddle the line between legal and prohibited in various jurisdictions.

Impending Strikes Loom Over American and Southwest Airlines

As Labor Negotiations Reach Critical Stage

THE complex world of airline industry labor negotiations, American Airlines and Southwest Airlines find themselves on the brink of potential strikes. American Airlines flight attendants, engaged in contract negotiations with the airline for nearly five years, are navigating a federally mandated mediation process facilitated by the National Mediation Board.

Under the constraints of the Railway Act, airline workers cannot initiate a strike without following prescribed steps, including mandated mediation. However, should this medi-

ation reach an impasse, the workers, through their union – the Association of Professional Flight Attendants (AFPA) – have the option to request release from negotiations. If approved, a 30-day cooling-off period must ensue before a strike can occur.

Recent developments suggest that negotiations between American Airlines and AFPA have reached a critical juncture. The union, in a statement on its website, highlighted a deadline for the company to make significant movement toward an agreement. The next step, as indicated, involves a potential request to the National Mediation Board for release into a 30-day cooling-off period.

The union plans to inform its members on November 20 about whether the AFPA Board of Directors will indeed seek release from federal mediation. In a parallel scenario, Southwest Airlines faced a similar situation when its pilots sought release from mediation, a request that the National Mediation Board denied. Should the NMB reject the release request, negotiations between American Airlines and its flight attendants are expected to continue.

If the release is granted, the union could theoretically strike during the crucial holiday season. However, industry experts suggest that a full-scale work stoppage is unlikely. Gary Leff of View From the Wing anticipates a more strategic approach, with flight attendants potentially walking off a limited number of flights on specific days to minimize financial hardship for workers while effectively communicating the operational uncertainties to passengers. American Airlines, while acknowledging the ongoing negotiations, has expressed confidence in reaching a mutually agreeable deal. The situation remains dynamic, with the possibility of strikes adding an element of uncertainty to the airline industry's current landscape.

Island Escapes:

Americans Flock to Tropical Paradieses for Stress-Free Getaways

AS the travel landscape shifts, Americans are ditching their winter accessories for sandals and piña coladas, signaling a desire for a different kind of vacation experience. Skyscanner's recent analysis of user travel searches over the past year unveils a clear trend: island hot spots are capturing the hearts and dreams of U.S. travelers, with the Cayman Islands emerging as the No. 1 trending destination.

The Cayman Islands witnessed an impressive 483 percent surge in searches, showcasing a growing preference for white sand beaches, tropical climates, and low-stress holidays closer to home. Situated just south of Cuba between Mexico's Yucatan Peninsula and Jamaica in the Caribbean Sea, the three Cayman Islands—Grand Cayman, Cayman Brac, and Little Cayman—offer a perfect blend of accessibility and exotic allure. With nonstop flights from major U.S. cities and English as the official language, the Cayman Islands beckon travelers seeking a slice of paradise without venturing too far.

While Grand Cayman boasts luxury resorts and the iconic Seven Mile Beach, Cayman Brac draws in enthusiasts with its deep-sea fishing opportunities. Little Cayman, revered as a diving community mecca, completes the trio with its underwater wonders. The islands' diverse offerings cater to various tastes, making them an ideal destination for those in search of island adventure.

Skyscanner's report emphasizes that U.S. travelers are increasingly drawn

to historical tours and local culinary experiences. A staggering 45 percent of users select destinations based on culinary offerings, attractions, and weather, pointing to a desire for immersive and multifaceted travel experiences.

Following the Cayman Islands in the search rankings is French Polynesia, experiencing a remarkable 227 percent increase year-over-year. The list also features two Japanese destinations, Osaka and Tokyo, highlighting a growing interest in the Far East. The U.S. Virgin Islands, Bermuda, St. Maarten, and

Oranjestad in Aruba round out the top 10, with only one European destination, Bucharest, Romania, making the cut.

As Americans trade the hustle and bustle of city life for the tranquility of island paradises, Aruba stands out as a beautiful gem in the top 10.

With its enchanting landscapes and vibrant culture, Aruba continues to maintain its status as one of the best destinations year in and year out, inviting travelers to indulge in the dreamy allure of the Caribbean.

Max Verstappen Triumphs in Las Vegas Grand Prix Despite Penalty

MAX Verstappen secured victory in the Grand Prix of Las Vegas, overcoming a five-second penalty in a thrilling race. The Red Bull driver faced intense competition from Charles Leclerc throughout the event, with both drivers displaying exceptional skills.

Verstappen's remarkable start allowed him to outpace Leclerc in the sprint towards the first turn. However, the aggressive move forced the Ferrari driver off the track, leading to a penalty for Verstappen. Despite the setback, Verstappen managed to reclaim the lead in the closing stages.

The race witnessed chaos behind the frontrunners, with Fernando Alonso, Sergio Pérez, Carlos Sainz, and Valtteri Bottas facing challenges. Lando Norris, unfortunately, had to retire after a third-round crash, prompting the deployment of the safety car.

Verstappen faced the additional challenge of opening up a five-second gap from Leclerc due to his penalty. However, Leclerc closed the gap and even overtook Verstappen just before the Dutch driver's pit stop.

After serving his five-second penalty, Verstappen returned

to the track in eleventh place. As Leclerc also pitted, Pérez surprisingly took the lead, having made an early pit stop in the race.

A pivotal moment occurred when Verstappen and George Russell made contact, resulting in debris on the track and a subsequent safety car deployment. Leclerc took advantage of the situation, leading the race after Pérez pitted.

In a remarkable comeback, Verstappen swiftly moved up the field, surpassing Pierre Gasly and eventually reclaiming the lead from Leclerc in a brief yet captivating duel. Verstappen then secured a comfortable lead, securing his eighteenth win of the season and the 53rd of his career.

While Pérez initially seemed poised for a second-place finish, he was overtaken by Leclerc in the final lap. Despite this, Pérez secured second place in the championship standings. Red Bull celebrated a historic achievement as the team claimed the first and second positions in the World Championship for the first time.

Max Verstappen's triumph in Las Vegas adds another chapter to his exceptional season, marking a fitting end to the thrilling race weekend.

MLB Free Agency Frenzy: 63 Players Hit the Market as Teams Seal Deals and Make Trades

A whirlwind of roster moves, 63 Major League Baseball players became free agents as teams chose not to offer 2024 contracts, signaling a significant shift in team compositions. Among the notable cuts were Milwaukee Brewers' starting pitcher Brandon Woodruff and Arizona's former AL Rookie of the Year Kyle Lewis. Cincinnati dropped Nick Senzel, the second overall pick in the 2016 draft, while Miami parted ways with Gold Glove catcher Jacob Stallings.

The New York Mets released designated hitter Daniel Vogelbach, and Detroit let go of outfielder Austin Meadows, both 2019 All-Stars. Veteran pitchers Dakota Hudson of St. Louis and Matt Bush of Texas were also among those cut loose.

The deadline for these moves marked the

last opportunity for teams to release arbitration-eligible players without committing to at least 30 days of termination pay if the player is released. Amidst this flurry, Atlanta engaged in trades with Kansas City, sending right-handers Kyle Wright and Nick Anderson to the Royals. In a separate deal, Cleveland acquired right-hander Scott Barlow from San Diego for Enyel De Los Santos, and sent starter Cal Quantrill to Colorado for minor league catcher Kody Huff.

Miami Marlins' president of baseball operations, Peter Bendix, orchestrated a trade with his former team, acquiring utilityman Vidal Bruján and right-hander Calvin Faucher from the Tampa Bay Rays in exchange for minor league prospects Erick Lara and Andrew Lindsey.

The Seattle Mariners secured infielder

Luis Urías from Boston for right-handed pitcher Isaiah Campbell.

Amidst the player releases, 19 players reached contract agreements before the deadline. Notable deals include San Francisco securing outfielders Mike Yastrzemski and Austin Slater, Baltimore reaching agreements with shortstop Jorge Mateo, left-hander Keegan Akin, and outfielders Sam Hilliard and Ryan McKenna, and Philadelphia sealing deals with outfielder Jake Cave and pitchers Dylan Covey and Garrett Stubbs.

As the dust settles, the MLB landscape has witnessed a significant shakeup, setting the stage for an intriguing offseason of free agency and team restructuring.

Ceylin del Carmen Alvarado Triumphs Emotionally in Troyes World Cup Cyclocross

CEYLIN del Carmen Alvarado continues her triumphant return to the top of the cyclocross world with a consecutive victory in the World Cup race in Troyes, France. The Alpecin-Deceuninck rider faced a formidable challenge from Puck Pieterse, who made a comeback after a break and spent a significant portion of the race leading the pack. However, Alvarado, strategically managing her race, surged ahead, claiming victory from the penultimate lap.

Alvarado's recent success follows her win in Dendermonde, marking her first World Cup victory in nearly three years. Her strong performances have positioned her as the current leader in the overall standings after four races. Notably, reigning world champion Fem van Empel, who secured victories in the initial two World Cup cyclocross races, opted for a break

post her European title win, leaving her return date undisclosed.

The Troyes race witnessed Pieterse taking the lead early on in her first cyclocross appearance since mid-October. Negotiating challenging sections adeptly without dismounting, Pieterse and Alvarado held a marginal lead after one lap. Despite Pieterse initially distancing herself, Alvarado keenly observed her competitor's waning strength. Overtaking Pieterse, Alvarado steadily widened the gap, crossing the finish line emotionally with a 21-second lead.

Once a dominant force in cyclocross, Alvarado secured the world title in 2020 at the age of 21. However, in recent years, she faced stiff competition and was often overshadowed by emerging talents like Van Empel and Pieterse. Alvarado expressed her deep emotions post-victory, stating, "I

have fallen deep. So, winning today, especially in the leader's jersey in the World Cup, is fantastic."

Pieterse gracefully accepted her second-place finish, acknowledging her early enthusiasm, saying, "Maybe I started a bit too enthusiastically. When she attacked, I had no response." Reflecting on her performance, Pieterse added, "I felt halfway that I've been away for a while." Alvarado, recognizing Pieterse's signs of fatigue, emphasized her relentless determination, stating, "I fought for every meter today, despite some mistakes. I saw that Puck was getting tired along the way. I never gave up."

Bitcoin Price Dips as SEC Extends Decision Window on Spot ETFs

Including BlackRock's Application

THE world of cryptocurrency, the recent regulatory decisions from the U.S. Securities and Exchange Commission (SEC) have cast a shadow on the anticipated approval of spot bitcoin exchange-traded funds (ETFs).

The SEC chose not to greenlight any of the applications within its purview during a brief regulatory window that opened on November 10, 2023, notably delaying a decision on the application submitted by leading asset manager BlackRock.

Despite Bitcoin maintaining near-term highs, the price experienced a slight dip this week, currently hovering around \$36,000 after a 2% drop over the last 24 hours.

Enthusiasm had been building in the crypto market, fueled by the prospect of an approved spot bitcoin ETF. BlackRock's application, in particular, garnered bullish sentiment as the world's largest asset manager could potentially attract a wave of institutional capital by introducing such a product. However, the SEC's decision to delay any application, including Hashdex's on November 15, seemed to temper this enthusiasm.

It's important to note that despite disappointment among Bitcoin investors, experts have emphasized that additional delays from the SEC are not unexpected and don't necessarily indicate impending rejections.

Eric Balchunas, a Bloomberg ETF analyst, clarified, "The whole eight-day window got misinterpreted. That window could pass, and all it means is that the SEC is going to have to delay another filing... We're going to wake up one day, in a couple of weeks, it might be a month — I'll just call it the short term — to news that the 19b-4s were approved."

However, not everyone in the crypto industry shares the same optimism. Mike Belshe, the CEO of BitGo, expressed concerns about potential risks, especially regarding Coinbase's role as the custodian listed on several spot bitcoin ETF applications. Belshe suggested that the SEC might request further separation of components before moving forward.

While this SEC decision has impacted the short-term outlook

for Bitcoin prices, many in the industry view the approval of a spot bitcoin ETF as an inevitable step that could pave the way for more significant institutional involvement in the crypto market. For now, it remains a matter of navigating the regulatory landscape on the road to the next potential bull run.

Amazon Shifts Focus:

Cuts Alexa Jobs to Invest in Generative AI

A strategic move, Amazon is redirecting its efforts within the Alexa division by cutting “several hundred” roles to prioritize investments in generative artificial intelligence (AI), according to an internal memo from Daniel Rausch, the Vice President of Alexa and Fire TV.

The memo highlighted the company’s commitment to making Alexa “smarter and more conversational” by leveraging AI capabilities. Amazon’s vision includes incorporating generative AI to enhance Alexa’s intuitiveness, intelligence, and overall utility. This initiative aims to make conversations with Alexa more engaging and dynamic.

One of the notable changes Amazon plans to implement is giving Alexa the ability to understand body language. Using the device’s camera and voice inputs, Amazon intends to enable Alexa to detect the presence and interpret nonverbal cues, making the interaction more natural and responsive.

While consumers eagerly anticipate these enhancements, Amazon’s decision to cut jobs within the Alexa division signals a shift in priorities. The company is doubling down on its commitment to generative AI, viewing it as the key to achieving a superhuman assistant. Dave Limp, Senior Vice President of Amazon Devices, expressed optimism that generative AI brings the long-pursued goal of an advanced assistant within reach.

However, this move comes amid past concerns about user trust in Alexa, particularly related to privacy. A research study by the University of Oxford revealed that some users actively limit Alexa’s tasks, keep it out of certain rooms, or unplug the device due to trust issues.

The latest round of layoffs in the Alexa division follows a similar trend seen earlier in the week when Amazon laid off over 180 employees in its gaming division. The company cited a shift in focus towards Prime Gaming as the reason behind cutting its Crown Channel and Game Growth initiatives.

Employees affected by the Alexa division layoffs will receive support, including separation payment, transitional health insurance benefits, external job placement assistance, and paid time for job searches. Daniel Rausch acknowledged that the decision was not taken lightly and expressed optimism about the future of Alexa despite the organizational changes.

While Amazon aims to streamline its efforts and allocate resources to high-priority areas, the company emphasizes its commitment to continuous innovation. As Amazon continues to navigate the dynamic landscape of AI and voice-assistant technology, users can expect further advancements and improvements in the Alexa experience.

Fiber Optic Internet's Transformative Impact on Our Island

THE ever-evolving landscape of technological progress, the advent of fiber optic internet stands as a beacon, illuminating a path that propels our island into the future. Beyond being a mere upgrade to connectivity, fiber optics herald a transformative era, promising unprecedented speed, and reliability, and a gateway to new possibilities that can redefine the way we live, work, and connect.

Unleashing Blazing Speeds:

A Quantum Leap in Connectivity: Fiber optic internet signifies a quantum leap in internet speeds. Compared to traditional broadband, the velocity of data transmission through these ultra-thin glass fibers is unparalleled. This speed revolutionizes online experiences, from seamless video streaming to instantaneous downloads, elevating our digital interactions to new heights.

Reliability Redefined:

Stability in a Connected World: Fiber optics rewrite the script on reliability. Resistant to environmental factors that often disrupt traditional copper cables, fiber optics offer unwavering stability. This reliability ensures a consistent internet experience, free from the frustrations of downtime and signal fluctuations.

Empowering Economic Growth:

Catalyst for Business Innovation: The impact of fiber optic internet extends beyond individual experiences; it becomes a catalyst for economic growth. Businesses thrive on efficient communication and rapid data transfer. Fiber optics create an ecosystem where innovation flourishes, propelling industries into a realm of limitless possibilities.

Enabling Seamless Connectivity:

A Networked Society: Fiber optics knit our island into a seamlessly connected society. From smart homes to the Internet of Things (IoT), the infrastructure becomes the backbone for a networked future. The ability to connect devices effortlessly opens avenues for smart living, energy efficiency, and enhanced quality of life.

Education and Beyond:

Revolutionizing Learning: The impact of fiber optic internet is felt keenly in education. It dismantles barriers to learning, providing students with access to a vast realm of online resources. Virtual classrooms, remote learning, and collab-

orative platforms become not just possibilities but integral components of the educational landscape.

Community Connectivity:

Bridging Social Gaps: Fiber optics are not just about bytes and bandwidth; they are about connecting communities. Enhanced connectivity bridges social gaps, ensuring that information, opportunities, and resources are accessible to all corners of our island. It becomes a catalyst for a more inclusive and interconnected society.

Sustainable Technological Evolution:

A Sustainable Digital Future: Fiber optic internet lays the groundwork for a sustainable technological evolution. Its efficiency in data transmission contributes to energy conservation, aligning with global efforts towards sustainability. It becomes a blueprint for a digital future that harmonizes with environmental consciousness.

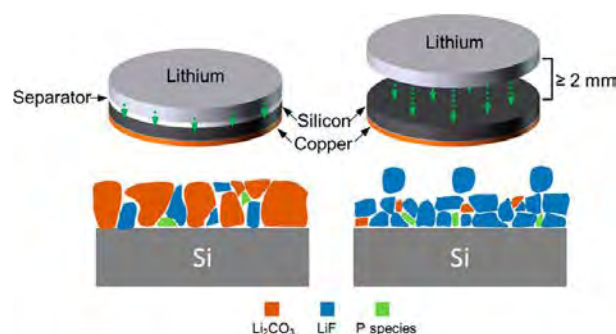

Paving the Way for Innovation:

Seedbed for Technological Advancements: The introduction of fiber optics paves the way for unforeseen innovations. From augmented reality experiences to advancements in healthcare through telemedicine, the high-speed, low-latency environment created by fiber optic internet has become a fertile ground for groundbreaking discoveries.

The tapestry of our island's evolution, fiber optic internet emerges as a thread that weaves together speed, reliability, and limitless potential. As we navigate the future, this transformative technology not only connects us to the world but propels us into a realm where the possibilities are as boundless as the fibers transmitting data beneath the surface.

Revolutionizing Battery Technology:

Overcoming Challenges with Artificial Solid-Electrolyte Interphase

THE realm of battery technology, a groundbreaking shift is underway as researchers from Tsinghua University delve into the potential of lithium metal anodes, aiming to surpass the conventional graphite anode and unlock new levels of energy density.

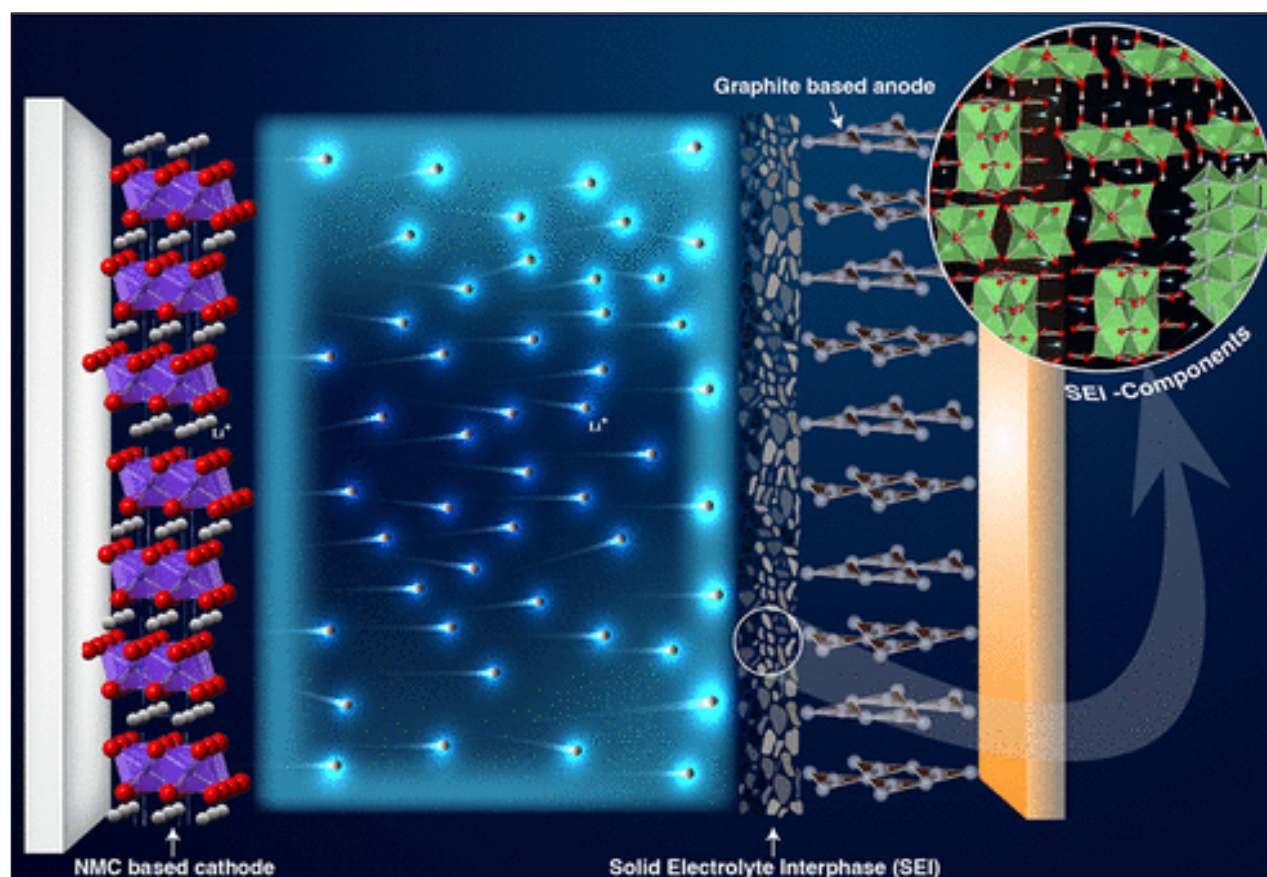

This venture, detailed in their recent publication in *Energy Materials and Devices* on September 25th, holds promise for safer, more efficient lithium metal batteries that could redefine the landscape of electric vehicles and various applications.

Lithium metal, chosen for its superior energy density, presents challenges in its reaction with electrolytes, leading to the formation of a brittle solid-electrolyte interphase (SEI).

The brittle nature of the natural SEI results in poor performance and lifespan, creating a bottleneck in the development of more powerful batteries.

Researchers are addressing these challenges by exploring the realm of artificial solid-electrolyte interphase (ASEI) layers, presenting a potential solution to enhance stability and functionality.

The crux of the matter lies in the interface between the lithium metal anode and the electrolyte. To mitigate the inherent issues, researchers

are investigating diverse ASEI layers, ranging from polymeric to inorganic-organic hybrid types. These layers aim to tackle problems such as dendrite growth and layer adhesion, paving the way for lithium metal batteries that are not only more efficient but also safer for widespread use.

Dendrite growth, resembling tree-branch structures, is a common issue during battery charging. This phenomenon can lead to internal damage, short-circuiting, and safety hazards.

The introduction of strategies to homogenize the distribution of lithium ions emerges as a key solution.

By reducing deposits on negatively charged areas and enhancing lithium ion diffusion, researchers aim to curb dendrite formation, preventing premature decay and ensuring the longevity of the battery.

Moreover, the article highlights the

importance of creating layers that are electrically insulated and reducing strain at the interface of the electrode and electrolyte. These measures contribute to maintaining the structural and chemical integrity of the battery during cycling, ensuring proper connectivity between layers—a crucial aspect of optimal battery functionality.

The words of Yanyan Wang, the author and researcher behind this transformative study, “Battery technologies have been revolutionizing our lifestyle... To realize a truly carbon-free economy, batteries with better performance are required to replace current Li-ion batteries.”

The exploration of lithium metal anodes and the advancement of artificial solid-electrolyte interphase layers mark a significant leap toward achieving this ambitious goal, ushering in a new era of battery technology.

Unlocking Mysteries:

The Enigma of 3, 6, and 9 in Tesla's Universe

NIKOLA Tesla, a luminary in the realms of invention and science, left behind more than groundbreaking technologies; he left a cryptic legacy intertwined with the fascination for the numbers 3, 6, and 9. *"If you only knew the magnificence of the 3, 6, and 9, then you would have the key to the universe,"* he professed. This proclamation has sparked a multitude of theories and interpretations, transforming these numbers into symbols of profound significance.

Tesla's Numerical Enigma:

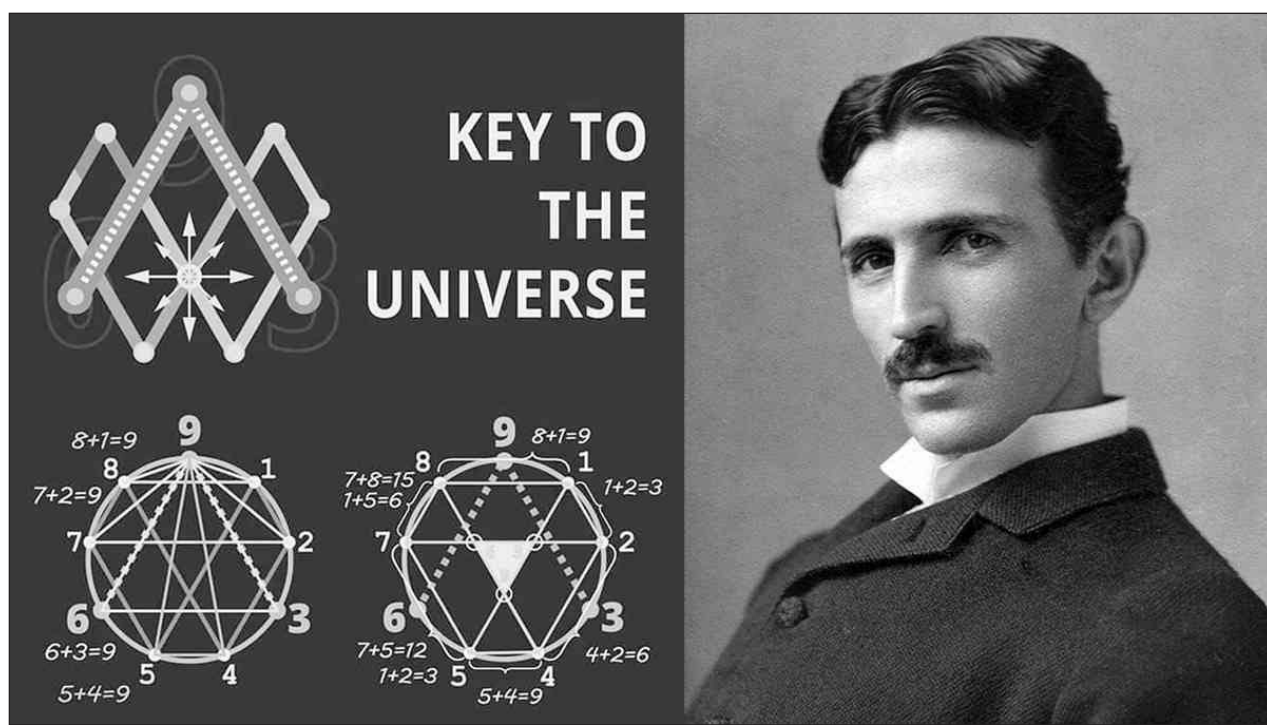

Nikola Tesla's fixation on 3, 6, and 9 transcended mere mathematical curiosity. It bordered on the mystical, hinting at an understanding of the universe that eludes conventional comprehension. The very essence of his conviction invites speculation and wonder, urging us to delve into the depths of numerical mysticism.

The Spiritual Tapestry of 369:

Beyond Tesla's musings, the number 369 weaves through spiritual and esoteric traditions, donning a cloak of sacred significance. Many interpret it as a symbol of balance, harmony, and a conduit to higher spiritual energies. In the realm of angel numerology, 369 emerges as an angelic code, believed to convey divine messages. Each digit, laden with individual meanings, combines to create a numerical symphony resonating with celestial insights.

The Harmony of Balance:

Central to the allure of 369 is its asso-

ciation with balance – a cosmic equilibrium where opposing forces find unity. Tesla's words echo through spiritual corridors, suggesting that within the mystique of 3, 6, and 9 lies a cosmic key, unlocking the secrets of harmony and universal alignment.

Angel Number 369: A Divine Code:

In the ethereal realm of angel numerology, 369 stands as a beacon of celestial guidance. As an angel number, it intertwines the energies of 3, 6, and 9, each contributing its unique essence to the divine message. This sequence becomes a celestial whisper, inviting individuals to attune themselves to the cosmic vibrations and discover the hidden revelations within.

Decoding the Cryptic:

The mystery enveloping Tesla's numerical obsession and the spiritual reverence for 369 invites us to embark on a journey of decoding the cryptic language of the universe. Are

these numbers mere symbols, or do they hold the key to a deeper understanding of existence? The quest for meaning propels us into the realms where science, spirituality, and mysticism converge.

The Numerical Symphony Continues:

As we unravel the enigma of 3, 6, and 9, Tesla's legacy persists as an eternal question mark, urging us to seek meaning beyond the boundaries of conventional knowledge.

In the cosmic ballet of numbers, the dance of 369 continues, beckoning us to join and explore the mysteries hidden within its numerical embrace.

The cosmic symphony orchestrated by Tesla's fascination and spiritual interpretations, the numbers 3, 6, and 9 remain as notes inviting us to listen, reflect, and embark on a journey of discovery that transcends the boundaries of the known.

Exploring TikTok Trends:

Striking a Balance Between Empowerment and Objectification

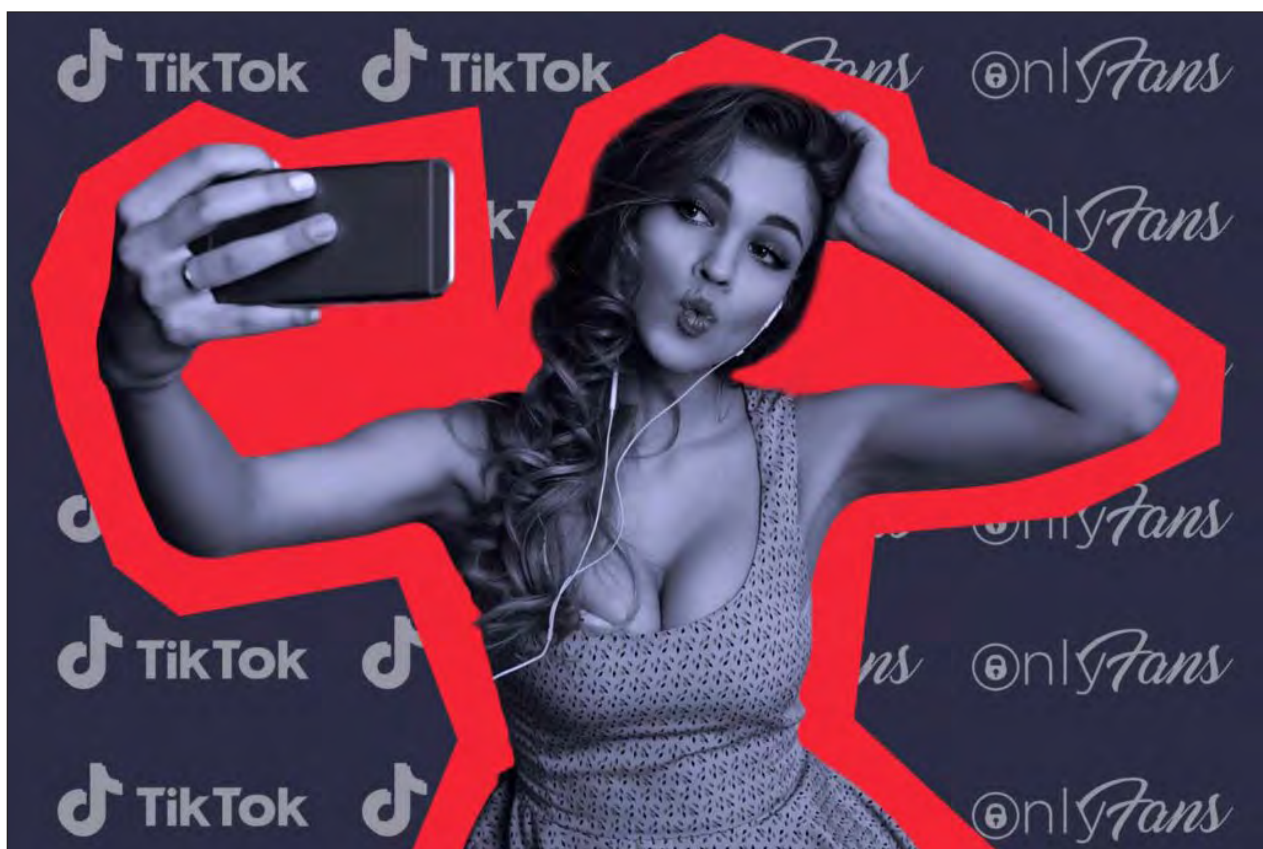

THE dynamic landscape of TikTok trends raises pertinent questions about the fine line between celebrating empowerment and inadvertently slipping into the realm of objectification. As the platform continues to shape digital culture, it becomes imperative to dissect the nuances within trending content, particularly concerning the portrayal of women. Are these trends fostering empowerment and self-expression, or do they risk veering into the territory of sexy exploitation? Unveiling the Duality: Sexy Exploitation vs. Empowering Attributes

At the heart of this debate lies the duality inherent in TikTok trends. On one hand, some trends unabashedly celebrate individuality, embracing diverse forms of self-expression and challenging societal norms. These trends, when executed thoughtfully, have the power to empower women by providing a platform for showcasing talents, and accomplishments, and fostering a sense of community.

Conversely, there exists a darker side where trends may inadvertently contribute to the objectification of women. Content that excessively focuses on sexualized attributes without regard for personal autonomy or consent runs the risk of perpetuating harmful stereotypes. In such instances, the line between self-expression and exploitation blurs, and the impact on individuals' self-worth becomes a cause for concern.

Empowerment in the Age of TikTok:

Empowering trends on TikTok encapsulate a broader definition of beauty and

success. From body positivity movements to challenges that highlight talents beyond physical appearance, these trends create an environment where women can celebrate their diverse attributes and accomplishments.

When harnessed responsibly, TikTok becomes a stage for breaking stereotypes and fostering a more inclusive representation of women.

Mitigating the Risks: Responsible Content Creation and Consumption

Mitigating the risks associated with potential exploitation requires a collective effort from content creators, viewers, and the platform itself. Content creators must be mindful of their impact, ensuring that their content contributes positively to the online community. Equally important is the responsibility of viewers to engage critically, supporting content that aligns with principles of empowerment and self-expression.

The Role of TikTok:

Shaping a Positive Digital Culture

As a prominent player in shaping digital culture, TikTok holds a pivotal role in fostering a positive online environment. The platform's algorithms and content moderation policies can be leveraged to amplify trends that prioritize empowerment while discouraging content that toes the line of exploitation. By striking a balance between freedom of expression and responsible content curation, TikTok can become a beacon for positive change in the digital realm.

The dichotomy within TikTok trends invites a thoughtful exploration of the platform's impact on perceptions of empowerment and objectification. Navigating this terrain requires a commitment from all stakeholders – content creators, viewers, and the platform itself – to ensure that TikTok continues to be a space where empowerment triumphs over-exploitation.

José Gregorio Hernández:

The Physician Saint of Venezuela

JOSÉ Gregorio Hernández, born on October 26, 1864, in Isnotú, Venezuela, is revered not only for his contributions to medicine but also as a beloved figure in Venezuelan spirituality.

His life, marked by compassion and selflessness, led to his beatification on April 30, 2021, by the Catholic Church. Let's explore the remarkable journey of this physician-saint and the enduring impact he has had on the people of Venezuela.

Early Life and Education:

Intellectual Pursuits: José Gregorio Hernández displayed early intellectual prowess, earning his medical degree from the Central University of Venezuela in 1888. His commitment to education and healing set the stage for a life dedicated to the service of others.

Medical Contributions:

Pioneer in Medicine: Dr. Hernández made significant contributions to medicine, specializing in bacteriology, histology, and pathology. His research and medical practice garnered respect and admiration, earning him a reputation as a skilled and compassionate healer.

Dedication to Healing:

Selfless Service: Despite his growing medical acclaim, José Gregorio Hernández's true calling lay in the service of the less fortunate. He devoted considerable time to treating the poor, often providing medical care without charge, embodying the spirit of humanitarianism.

Spiritual Journey:

Faith and Holiness: Hernández's spiritual journey ran parallel to his medical career. His unwavering faith led him to consider entering the priesthood, but his commitment to medicine prevailed. Throughout his life, he maintained a profound connection with his Catholic faith.

Beatification and Miracles:

Recognition of Holiness: The beatification of José Gregorio Hernández is a testament to the recognition of his holiness by the Catholic Church. Miracles attributed to his intercession played a pivotal role in the decision to elevate him to the status of "Blessed."

Popular Devotion:

A Saint in the Hearts of Venezuelans: Long before his beatification, José Gregorio Hernández held a special place in the hearts of Venezuelans. Many regarded him as a saint, turning to him for spiritual guidance, healing, and protection.

The Isnotú Sanctuary:

Pilgrimage Destination: Isnotú, Hernández's hometown, has become a pilgrimage destination. The Sanctuary of José Gregorio Hernández attracts believers seeking solace, healing, and a connection to the beloved physician-saint.

Legacy of Compassion:

Inspiring Future Generations: Beyond the formal recognition by the Church, Hernández's legacy endures through the countless lives he touched. His compassionate approach to both medicine and spirituality continues to inspire generations of Venezuelans.

Cultural Impact:

Cultural Icon: José Gregorio Hernández is not only a religious figure but also a cultural icon in Venezuela. His image and influence permeate various aspects of Venezuelan society, reflecting the profound impact he has had on the nation's collective identity.

José Gregorio Hernández stands as a symbol of the harmonious integration of science, compassion, and spirituality. His journey from a dedicated physician to a revered figure in Venezuelan spirituality exemplifies a life lived in service to others, leaving an enduring legacy of love, healing, and faith.

How Much Exercise Does It Take to Counteract a Day of Sitting?

OUR increasingly sedentary lifestyles, the detrimental effects of prolonged sitting are well-documented. However, a recent study sheds light on how much exercise is required to offset the negative impact of sitting for extended periods.

The findings suggest that engaging in 30 to 40 minutes of moderate to vigorous intensity physical activity daily can effectively balance out the adverse effects of sitting for up to 10 hours.

The study, a meta-analysis published in 2020, scrutinized nine previous research endeavors involving 44,370 participants across four different countries, all of whom used fitness trackers. Unlike some studies reliant on self-reported data, this meta-analysis drew on more objective metrics.

The researchers discovered a correlation between sedentary behavior and an increased risk of death, with the risk rising as the time spent in moderate-to-vigorous intensity physical activity decreased. Notably, individuals who incorporated approximately 30 to 40 minutes of such activities into their daily routine demonstrated no significantly different risk of death compared to those with low sedentary time.

The suggested activities include cycling, brisk walking, or gardening, which, when performed regularly, can mitigate the mortality risk associated with prolonged sitting. The study underscores the importance of incorporating some form of intensive physical activity to counteract the negative impact of extended periods of sedentary behavior.

It's worth noting that the research aligns with the World Health Organization's (WHO) 2020 Global Guidelines on Physical Activity and Sedentary Behavior. These guidelines recommend 150-300 minutes of moderate-intensity or 75-150 minutes of vigorous-intensity physical activity per week to counteract sedentary behavior.

Emmanuel Stamatakis, a researcher in physical activity and population health at the University of Sydney, emphasizes that any amount of physical activity is beneficial and can offset the harmful effects of physical inactivity. Activities like walking up stairs, playing with children or pets, engaging in yoga or dancing, household chores, walking, and cycling are all suggested ways to increase physical activity.

While the recommended 30 to 40 minutes may seem daunting, researchers advise starting small and gradually increasing activity levels. As scientific understanding in this field evolves, more insights are expected to emerge, providing a clearer picture of how individuals can maintain their health despite extended periods of desk-based work.

Stamatakis acknowledges that despite the progress in establishing guidelines, some gaps in knowledge remain, particularly concerning the threshold for "too much sitting." However, the dynamic nature of this research field suggests that answers may emerge in the coming years. As we await further clarity, the overarching message remains: staying active, in whatever capacity, contributes significantly to overall health and well-being.

Unveiling the Digital Nomad Lifestyle in the Remote Era

A world where traditional work structures undergo a revolutionary shift, the digital nomad lifestyle emerges as a captivating alternative, offering a unique fusion of work and adventure. As the global workforce increasingly embraces remote opportunities, individuals are rewriting their narratives, breaking free from the constraints of conventional office spaces to embrace a life that combines professional responsibilities with a passion for exploration. This exploration into the essence of the digital nomad lifestyle reveals how individuals navigate the intricate balance between professional commitments and the allure of unfettered adventure.

The advent of the remote work revolution has transformed the standard office paradigm. What was once a temporary solution has become a lifestyle choice, granting individuals the freedom to select their workspaces and redefine their lives on their own terms. The allure of location independence plays a central role in the digital nomad lifestyle, liberating individuals from the shackles of specific cities or countries, enabling them to traverse diverse landscapes, immerse themselves in varied cultures, and curate experiences that resonate with their innermost desires.

However, this newfound freedom is not without its challenges. Balancing work responsibilities with the yearning for adventure requires overcoming hurdles such as navigating different time zones, maintaining work discipline, and ensuring a stable internet connection. The digital nomad lifestyle necessitates adaptability and resilience in the face of varying environments and

professional demands.

Crafting a mobile office becomes an art for digital nomads. From bustling co-working spaces in urban centers to remote beach locales, flexibility becomes paramount in creating a workspace that harmonizes productivity with personal fulfillment. Despite physical distances, digital nomads often forge strong communities. Online forums, social media groups, and local meetups serve as spaces where individuals share insights, offer support, and establish connections that transcend geographical boundaries.

Cultural immersion becomes a hallmark of the digital nomad experience, distinguishing it from conventional tourist activities. Nomads actively engage with the cultures of the places they visit, fostering a profound appreciation for diversity and broadening their perspectives in ways that traditional work environments might not afford.

Technology becomes the linchpin of

the digital nomad lifestyle. Project management tools, virtual communication platforms, and digital solutions enhance efficiency, enabling individuals to seamlessly integrate work into their exploratory journeys. Sustainability also takes center stage in this lifestyle, with a growing emphasis on eco-friendly practices, mindful travel, and positive contributions to local communities.

The digital nomad lifestyle is not merely a trend; it signifies a glimpse into the future of work. As companies embrace remote work options and technology advances, individuals are reshaping the narrative of how work and adventure coexist in an interconnected world. However, while the lifestyle presents exciting opportunities, it demands navigating uncharted territories, from legal considerations to healthcare access. In embracing the digital nomad lifestyle, individuals embark on a bold journey, rewriting the script on the evolving relationship between work and personal fulfillment in this remote era.

Breaking the Chains:

A Unified Stand Against Domestic Violence

THE intimate spaces of homes worldwide, an insidious force persists, casting shadows over lives meant to be defined by love and security. Domestic violence, with its multifaceted forms – physical, emotional, psychological, financial, and verbal – demands a collective stand. Breaking the chains of silence and dismantling the culture of abuse is not merely an imperative; it is a shared commitment to fostering environments where every individual can flourish without fear.

The Spectrum of Domestic Violence:

Domestic violence, often misconstrued as solely physical, spans a spectrum of abuses. It includes emotional manipulation, psychological torment, financial control, and verbal degradation. Recognizing this breadth is crucial in comprehending the intricacies of the issue and addressing its root causes.

Empowering Survivors Through Voice:

Silence perpetuates the cycle of abuse, and empowerment begins with breaking that silence. Survivors need safe spaces and robust support systems to share their stories without fear of judgment. Creating an environment where survivors are heard and believed is a fundamental step in their journey toward healing and recovery.

Education as a Catalyst for Change:

Education serves as a powerful weapon against domestic violence. Dispelling myths, challenging stereotypes, and fostering awareness are essential components of the fight. By educating individuals about healthy relationships, consent, and respect from an early age, we lay the foundation for a society that rejects violence as a means of control.

Legal Advocacy and Justice:

A robust legal framework is crucial in the battle against domestic violence. Holding perpetrators accountable through comprehensive laws and swift justice is paramount. Advocacy for legal measures that protect victims and dismantle the structures that enable abuse is an ongoing effort.

Fostering a Global Alliance:

Domestic violence knows no borders, demanding a united global front. Collaboration on an international scale involves sharing resources, strategies, and best practices.

By joining forces across nations, we strengthen the collective resolve to eradicate domestic violence and create a world where homes are sanctuaries of love, respect, and safety for all.

Embracing Diversity:

Strategies for Thriving in a Multicultural Business Landscape

AN interconnected global business environment, the exploration of cultural diversity has become more than a mere necessity—it is a strategic imperative for success. This article delves into the nuanced realm of cultural diversity in the business world, unraveling strategies that empower organizations to not only navigate but thrive in the rich tapestry of global cultures.

Fostering an Inclusive Corporate Culture:

The foundation of success in a multicultural world lies in cultivating an inclusive corporate culture. Organizations must champion diversity at all levels, fostering an environment where individuals from various cultural backgrounds feel valued and heard.

Cross-Cultural Training and Education:

Equip teams with the knowledge and skills to navigate cultural nuances through comprehensive cross-cultural training. Understanding the intricacies of diverse communication styles, business etiquettes, and social customs lays the groundwork for successful collaboration.

Diverse Recruitment and Retention Strategies:

Actively pursue diversity in recruitment

efforts. A diverse workforce brings a range of perspectives and ideas. Implement retention strategies that ensure all employees, regardless of their cultural background, feel a sense of belonging and are given opportunities to grow within the organization.

Cultivating Cultural Intelligence:

Cultural intelligence, or CQ, is as crucial as IQ or EQ in the global business arena. Encourage employees to develop cultural intelligence, enabling them to adapt to different cultural contexts, communicate effectively, and build strong relationships across borders.

Flexible and Adaptable

Business Models:

Embrace flexibility in business models to accommodate diverse market demands. Tailoring products, services, and marketing strategies to suit the cultural preferences and needs of specific regions demonstrates a commitment to understanding and respecting local contexts.

Leveraging Multicultural Teams:

Multicultural teams, when effectively managed, become a powerful asset. Leverage the diverse skills, experiences, and perspectives within these teams to foster innovation and creativity. A blend of cultural insights can lead to groundbreaking solutions.

Respectful Communication

Practices:

Communication is at the heart of successful multicultural collaboration. Encourage open and respectful communication, emphasizing active listening and clarity. Avoiding assumptions and

stereotypes promotes an environment where diverse voices are valued.

Establishing Global Business Etiquette:

Establish a set of global business etiquette guidelines that align with the diverse cultural norms encountered in international dealings. This ensures that employees are well-prepared to engage with partners, clients, and colleagues from various cultural backgrounds.

Continuous Learning and Adaptation:

The global business landscape is dynamic, and cultural dynamics evolve. Foster a culture of continuous learning and adaptation, encouraging employees to stay informed about cultural shifts, geopolitical changes, and emerging business trends worldwide.

Social Responsibility and Cultural Sensitivity:

Demonstrate social responsibility by actively engaging with and contributing to the communities where your business operates. Display cultural sensitivity through initiatives that respect and uplift local cultures, further solidifying your organization's positive global reputation.

Thriving in a multicultural world requires intentional efforts and a commitment to cultural understanding.

By adopting these strategies, businesses can not only navigate the complexities of cultural diversity but also transform them into a source of strength, innovation, and sustainable success.

Journey Within:

Unveiling the Depths of Self-Discovery

RAINER Maria Rilke's profound statement, "*The only journey is the one within*," encapsulates the essence of self-discovery and introspection. In these words, he invites us to embark on a transformative odyssey that transcends geographical boundaries and worldly pursuits. Let's unpack the depth of this quote and explore its implications on our personal and spiritual growth.

The Inner Expedition:

Rilke's words resonate with the idea that the most profound journey is the exploration of one's inner self. Beyond the external landscapes we traverse, the true terrain to navigate is the intricate labyrinth of thoughts, emotions, and self-awareness within us. This internal expedition is not bound by time or place but is a continuous process of self-discovery.

Self-Reflection and Growth:

"The only journey is the one within" emphasizes the importance of self-reflection as a catalyst for personal growth. It encourages us to delve into the layers of our consciousness, confronting our fears, embracing our strengths, and acknowledging our vulnerabilities. Through this introspective journey, we cultivate a deeper understanding of ourselves, fostering the seeds of personal evolution.

Navigating Life's Challenges:

Life is inherently a series of challenges and experiences. Rilke's quote suggests that our responses to external events are shaped by our internal landscapes. By embarking on the journey within, we equip ourselves with the resilience and wisdom needed to navigate life's complexities. It becomes a source of strength that transcends the external ups and downs.

Spiritual Awakening:

Beyond the realm of psychology and self-discovery, Rilke's words hint at a spiritual dimension. The journey within can be a path toward spiritual awakening, connecting us to a higher consciousness or a sense of purpose. It prompts us to seek meaning beyond the surface of our daily existence and explore the depths of our spiritual selves.

Embracing Solitude:

The quote also underscores the idea that the journey within often requires moments of solitude and introspection. It is in these quiet, reflective spaces that we confront our inner-

most thoughts and emotions, fostering a sense of inner peace and understanding.

A Timeless Truth:

Rilke's timeless wisdom reminds us that, irrespective of external circumstances, the journey within remains a constant. In a world characterized by change and unpredictability, the inner journey becomes a reliable compass, guiding us through the ebb and flow of life.

"*The only journey is the one within*" serves as an invitation to embark on a lifelong exploration of self. It encourages us to embrace the challenges, joys, and uncertainties of this internal odyssey, recognizing that the profound transformations we seek often begin within the depths of our own being.

Decoding Dante's Inferno:

A Journey Through the Circles of Hell

DANTE Alighieri's "Inferno," the first part of his epic poem "The Divine Comedy," is a mesmerizing descent into the depths of the afterlife. Written in the early 14th century, this allegorical masterpiece takes readers on a vivid and symbolic journey through Hell.

Let's unravel the layers of Dante's Inferno, exploring its themes, characters, and the profound symbolism that has captivated readers for centuries.

The Divine Blueprint:

A Divine Inspiration: Dante's Inferno is not merely a narrative; it is a meticulously structured allegory reflecting medieval Christian theology. Divided into nine circles, each representing a different sin, the journey is a symbolic exploration of the consequences of human transgressions.

Virgil, the Guide:

A Poetic Mentor: Dante is guided through Hell by the Roman poet Virgil, who symbolizes reason and classical wisdom. Virgil's presence emphasizes the integration of classical knowledge with Christian teachings in Dante's world.

The Nine Circles:

Punishments Reflect Sins: Each circle of Hell corresponds to a specific sin, and the severity of punishment mirrors the gravity of the transgressions. From the relatively mild Limbo to the treacherous depths of the Ninth Circle, Dante's journey is a descent into increasingly sinister realms.

Sinners and Their Fates:

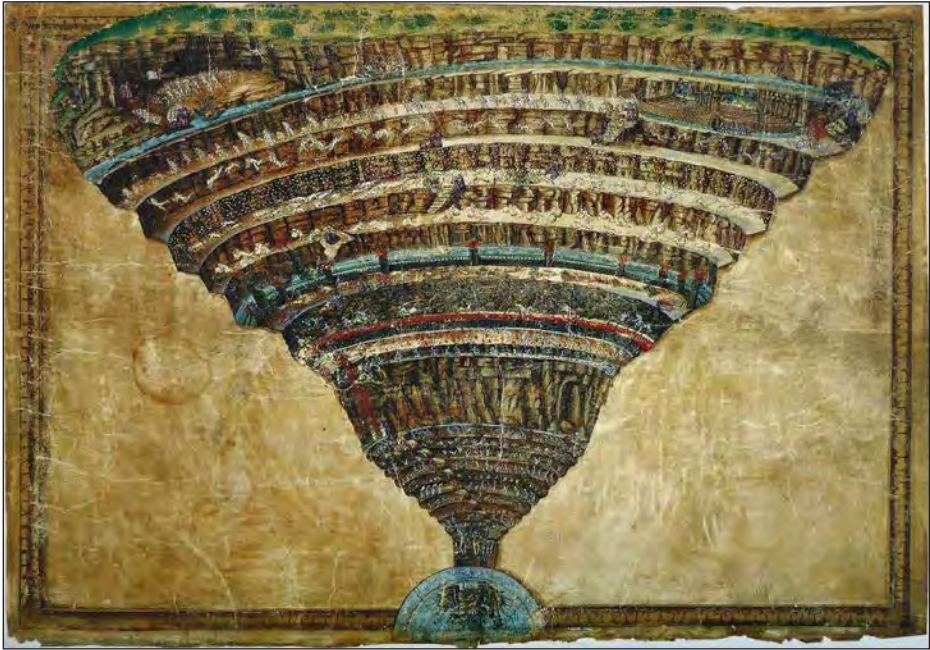

Personalized Justice: The sinners Dante encounters are not arbitrary; their punishments are intricately connected to their sins in life. This personalized justice underscores the moral and theological underpinnings of the narrative.

Symbolism and Allegory:

More Than Literal Torment: Dante's Inferno is laden with symbolism. Each encounter and punishment serves as an allegorical representation, inviting readers to contemplate deeper meanings and moral lessons beyond the literal torment.

The Journey Toward Redemption:

Purgatory Awaits: While Dante's descent into Hell is harrowing, it is part of a larger journey toward salvation. The subsequent sections of "The Divine Comedy" explore

Purgatory and Heaven, emphasizing the redemptive nature of Dante's odyssey.

Historical and Political Commentary:

Embedded Critique: Dante utilizes his journey through Hell to comment on the political and religious landscape of his time. The inclusion of historical figures and contemporary political commentary adds layers of complexity to the narrative.

Influence on Literature and Art:

Enduring Legacy: Dante's Inferno has left an indelible mark on literature and art. Countless authors, poets, and artists have drawn inspiration from its vivid imagery, moral explorations, and allegorical richness.

A Journey Beyond Time:

Relevance Across Centuries: Despite its medieval origins, Dante's Inferno remains relevant. Its exploration of morality, justice, and redemption transcends temporal boundaries, inviting readers of all eras to reflect on the eternal themes it presents.

Dante's Inferno is more than a literary work; it is a timeless exploration of the human condition, morality, and the quest for salvation.

As readers traverse the circles of Hell alongside Dante, they are invited to grapple with profound questions about sin, justice, and the transformative power of redemption.

Elegance Adorned:

The Enduring Allure of Rings

THE realm of luxury, rings stand as timeless symbols of opulence, craftsmanship, and personal expression. Beyond their tangible beauty, these circular adornments hold a profound significance, often transcending mere accessories to become reflections of status, sentiment, and artistry. Let's delve into the captivating world of rings as luxury items, exploring their historical significance, contemporary allure, and the stories they tell upon adorned fingers.

A Tapestry of History:

Centuries of Symbolism: Rings have adorned the hands of the elite for centuries, signifying wealth, power, and societal standing. From ancient civilizations to modern monarchies, the history of rings as luxury items is woven into the fabric of human culture.

Craftsmanship Beyond Compare:

Artistry in Every Detail: Luxury rings are crafted with meticulous attention to detail, often featuring rare gemstones, exquisite metals, and intricate designs. Renowned jewelers pour their skill and creativity into each piece, transforming rings into miniature masterpieces.

Symbolism and Status:

Beyond Ornamentation: Luxury rings often serve as symbols of achievement, affiliation, or commitment. From engagement rings symbolizing enduring love to signet rings denoting familial heritage, these pieces encapsulate narratives and milestones.

Gemstone Grandeur:

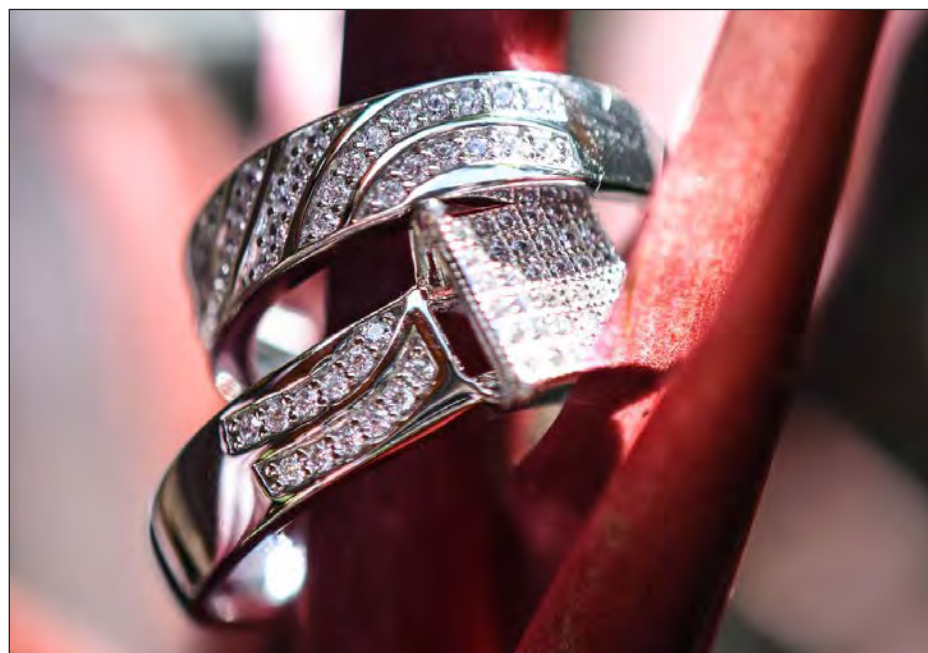

Precious Stones and Rarity: The allure of luxury rings is often heightened by the inclusion of precious gemstones—diamonds, sapphires, emeralds, and more. The rarity and quality of these stones contribute to the exclusivity and desirability of the ring.

Personal Expression:

Customization and Individuality: Luxury rings provide a canvas for personal expression. Whether through bespoke designs, family crests, or unique gemstone combinations, individuals can imbue their rings with personal meaning, making each piece a reflection of identity.

Iconic Brands and Designers:

Legends in the Jewelry World: Iconic jewelry houses and

designers have elevated rings to unparalleled levels of prestige. From Cartier's timeless elegance to the avant-garde creations of contemporary designers, these brands shape the landscape of luxury rings.

Investment and Heirlooms:

A Legacy in Gold and Gems: Luxury rings often transcend their immediate purpose, becoming investments and cherished heirlooms. Passed down through generations, these rings acquire a rich history, gaining value not just monetarily but sentimentally.

Red Carpet and High Society:

Adorning the Influential: The red carpet and high-profile events are showcases for the most exquisite rings. Worn by celebrities and influential figures, these pieces not only complement fashion but also amplify the allure and desirability of luxury rings.

Modern Innovations:

Contemporary Design and Technology: The world of luxury rings continues to evolve with modern innovations. From cutting-edge designs to the integration of technology, these pieces seamlessly blend tradition with contemporary aesthetics.

In the grand tapestry of luxury, rings emerge as resplendent threads, weaving together history, craftsmanship, and personal narratives. Whether gracing the fingers of royalty, dazzling on the red carpet, or becoming treasured family heirlooms, luxury rings transcend time as enduring symbols of beauty, prestige, and the artistry of human expression.
